Talking About Tom Murphy:

Talking about Tom Murphy Nicholas Grene, 2002 Essays on the work of Irish playwright Tom Murphy **The Theatre of Tom Murphy** Nicholas Grene, 2017-10-05 Tom Murphy shot to fame with the London production of *A Whistle in the Dark* in 1961 establishing him as the outstanding Irish playwright of his generation The international success of *Druid* Murphy the 2012 13 staging of three of his major plays by the *Druid Theatre Company* served to underline his continuing appeal and importance This is the first full scale academic study devoted to his theatre providing an overview of all his work with a detailed reading of his most significant texts His powerful and searchingly honest engagement with Irish history and society is reflected in the violent *Whistle in the Dark* the epic *Famine* 1968 the often hilarious *Conversations on a Homecoming* 1985 and the darkly Chekhovian *The House* 2000 Folklore and myth figure more prominently in the spiritual drama of *The Sanctuary Lamp* 1975 the Faustian *Gigli Concert* 1983 and the women s stories of *Bailegangaire* 1985 The range and reach of Murphy s theatre is demonstrated in this informed reading supported by key interviews with the playwright himself and his most important theatrical and critical interpreters Tom Murphy's Theatre of Everyday Space Moonyoung Hong, 2025-05-08 By the time of his death in 2018 Tom Murphy was widely recognised as one of Ireland s most important modern playwrights Ireland s experience of rapid modernisation emigration and globalisation is vividly captured in his plays challenging generic notions of space place and the nation In particular his drama reconfigures Irish theatre s uneasy relationship with globalisation with the peasant kitchen the pub and the bog having traditionally been exported as the quintessential Irish spaces Focusing on one of Murphy s central innovations his experimentation with theatre and everyday space the book considers the significance of Murphy s work in modern drama more broadly The idea of home has preoccupied modern playwrights since the naturalist dramas of Henrik Ibsen and Anton Chekhov leading theatre scholars to focus on the everyday space of the home to the exclusion of other everyday spaces Murphy s works by contrast offer a new politics of the alterior engaging with a diverse range of other spaces such as dancehalls grocery shops pubs hotels offices churches gasworks and airports His drama presents a global sense of the local an emotional map of the shifting geographies of everyday life By applying new theoretical perspectives and showcasing new archival materials inaccessible to previous scholars the book revisits Murphy as an international playwright a cartographer of our modern day global village *Mr. Speaker* Richard Hyatt, 1999 For more than a quarter of a century Tom Murphy has been *Speaker of the House* longer than anyone in Georgia history He is the dean of the nation s state legislative leaders He speaks loudly and carries a big gavel but there is more to this country lawyer than his front page image and his political bravado In *Mr Speaker* veteran journalist Richard Hyatt goes beyond the gruffness and the ornaments to portray a man shaped by his generation influenced by a brother he carried in his arms and a father who was ready to fight a legislator he thought said disparaging things about his family **BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved** *Constructing and*
