## Talking About Prayer:

*Prayer* Peter Kreeft, 1991-10-11 In his typically lucid and original style the popular spiritual writer Peter Kreeft explores many aspects and questions about prayer the center of our spiritual lives In a series of imaginative dialogues like prayer itself Kreeft shows how prayer can be an exciting adventure an inexhaustible joy      **Reunderstanding Prayer** Kyle

Lake, 2005-10 Lake offers a healthy approach to prayer by attacking prevailing misconceptions of God and destructive approaches to prayer like prayer as taskmaster then unpacks the essence of conversation      **Talking to My Father** Ray C. Stedman, 1975      **Prayer Is Simply Talking to God** Pauline Adongo, 2016-12-20 A good number of Christians shy away

from praying because of misconceptions and fears they have about prayer Most are inundated with misinformation and false beliefs about what qualifies as a good prayer This book was birthed out of a deeper desire and hunger for each believer to recognize the power of prayer that they can institute and practice independently Prayer itself as well as the approach to prayer and attitude towards prayer are simplified in this book granting readers the freedom to pray Prayer when rendered to the Holy Spirit produces more Among the key topics that are discussed in this book are Aspects of prayers Common misconceptions about prayer Benefits of prayer Holy Spirit led prayer the role of the Holy Spirit in prayer Praying from a victorious position in spiritual warfare How to pray while waiting for the answer How to incorporate prayer in daily routine All of these have been shared so as to free the reader to simply talk to God      **How to Pray Without Talking to God** Linda

Martella-Whitsette, 2011-10-01 Unity minister Linda Martella Whitsett provides a new framework for thinking about prayer that will revolutionize the lives of readers everywhere The good news here is that you can pray without believing in God that you can have a rich and fulfilling spiritual practice without adhering to a set of creeds or dogmas Martella Whitsett encourages seekers to look within rather than outside themselves for a God in the sky for the spark of the divine that is at the core of their being How to Pray Without Talking to God shows how to develop a true spiritual practice by re forming the words of traditional prayers cultivating a habit of daily prayer and meditation learning how to pray with others How To Pray Without Talking To God is filled with the author s stories of her own evolving understanding of God Each chapter includes a section called Talk to Yourself that poses questions for readers to write about or share in a study circle      *The Concept of Prayer (Routledge Revivals)* D. Z. Phillips, 2014-02-04 Many contemporary philosophers assume that before one can discuss

prayer the question of whether there is a God or not must be settled In this title first published in 1965 D Z Phillips argues that to understand prayer is to understand what is meant by the reality of God Beginning by placing the problem of prayer within a philosophical context Phillips goes on to discuss such topics as prayer and the concept of talking prayer and dependence superstition and the concept of community This is a fascinating reissue that will be of particular value to students with an interest in the philosophy of religion prayer and religious studies more generally      **Prayer Is Simply**
