**Fiction: A Critical Guide** Patrick Parrinder,2021-05-18 This book first published in 1979 presents a portrait of science  
fiction as a distinct form of serious and creative literature Contributors are drawn from Britain America and Europe and  
range from well known academic critics to young novelists The essays establish the common properties of science fiction  
writing and assess the history and significance of a field in which critical judgements have often been unreliable The material  
ranges from the earliest imaginative journeys to the moon to later developments of British American and European science  
fiction     **Routledge Library Editions: Science Fiction** Various,2022-07-30 This set of three previously out of print  
volumes collects together in one place key areas of research into the genre of science fiction It critically examines science  
fiction establishing its common themes and definitions and comprehensively assesses the sci fi world in its entirety
