London Couture and the Making of a Fashion Centre Michelle Jones, 2022-04-12 How design collaboration networks and narratives contributed to the establishment of a recognized English couture industry in the 1930s and 1940s In the 1930s and 1940s English fashion houses spurred by economic and wartime crises put London on the map as a major fashion city In this book Michelle Jones examines the creation of a London based couture industry during these years exploring how designer collaboration and the construction of specific networks and narratives supported and shaped the English fashion economy Haute couture the practice of creative made to measure womenswear was widely regarded as inherently French Jones shows how an English version emerged during a period of economic turbulence when a group of designers banded together in a collective effort to shift power within the international fashion system Jones considers the establishment of this form of English design practice analyzing the commercial social and political factors that shaped the professional identity of the London couturiers She focuses on collaborative activity that supported this form of elite craft based fashion production from the prewar efforts of the Fashion Group of Great Britain to the wartime establishment of the Incorporated Society of London Fashion Designers modeled loosely after French fashion's

governing body the Chambre Syndicale de la Couture Parisienne It was these collective efforts by couturiers that established and sustained London's place as an internationally recognized center for creative fashion **The Battle of London**

1939-45 Jerry White, 2021-11-04 Endlessly fascinating White is such a brilliant historian Mail on Sunday Lasting for six long years the Blitz transformed life in the capital beyond recognition marking a time of almost constant anxiety disruption deprivation and sacrifice for Londoners With the capital the nation's frontline during the Second World War by its end 30 000 inhabitants had lost their lives While much has been written about the Myth of the Blitz its riveting social history has often been overlooked Unearthing what it was actually like for those living through those tempestuous years Jerry White paints a fascinating portrait of the daily lives of ordinary Londoners telling the story through their own voices As a history of the capital in wartime it is probably unsurpassable Sunday Telegraph An impressive history of the capital at war White an accomplished chronicler of London's history tells it with brio and a confident mastery of the sources Literary Review

compassionate account examines the nature of Cocteau's chameleon-like genius, his romantic attachments, his controversial politics, and his intimate involvement with many of the century's leading artistic lights including Picasso, Proust, Hemingway, Stravinsky, and Tennessee Williams. Already published to great critical acclaim in France, Arnaud's penetrating and deeply researched work reveals a uniquely gifted artist while offering a magnificent cultural history of the twentieth century.

Encyclopedia of Twentieth-Century Photography, 3-Volume Set Lynne Warren, 2005-11-15 The *Encyclopedia of Twentieth Century Photography* explores the vast international scope of twentieth-century photography and explains that history with a wide-ranging interdisciplinary manner. This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force. This *Encyclopedia* presents the important developments, movements, photographers, photographic institutions, and theoretical aspects of the field along with information about equipment, techniques, and practical applications of photography. To bring this history alive for the reader, the set is illustrated in black and white throughout, and each volume contains a color plate section. A useful glossary of terms is also included. **Vivien** Alexander Walker, 1994-01-12 Vivien Leigh is best known as the former Mrs. Laurence Olivier, the beautiful but willful Scarlett O'Hara, and the fading southern belle with a tenuous grip on reality, Blanche DuBois. In life and on the screen, these were her public roles. Walker's excellent biography fills the gaps, giving insights into her private life and into what it must have been like to be Vivien Leigh. Walker, author of *Garbo: A Portrait* (CH, Mar 81), *Dietrich* (1984), and *Bette Davis: A Celebration* (1986), is a careful researcher who managed to win the confidence of the right people. His interview subjects include Vivien Leigh's only daughter, Suzanne Farrington; her first agent, John Glidden; and her last husband, Jack Merivale. Vivien is personal without being excessively gossipy and informative without being pedantic. Walker's book should delight filmgoers, theatergoers, and readers curious about prominent people. Leigh's achievements were many, but her personality had its darker side. Even her 20 years as half of Britain's reigning theatrical couple, the Oliviers, took its toll on her physical and mental health. Amply supplied with photographs of the actress at all stages of her life, *Vivien* is an engaging book about an engaging figure. Undergraduates and general readers. J. L. Cohen, Los Angeles County Museum of Art
