Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings. The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values. Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time. Philip A. Greasley's introduction fills in background information and describes the philosophy, focus, methodology, content and layout of entries as well as criteria for their inclusion. An extended lead essay, "The Origins and Development of the Literature of the Midwest" by David D. Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered. This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members. Volume Two will provide similar coverage of non author entries such as sites, centers, movements, influences, themes and genres. Volume Three will be a literary history of the Midwest. One goal of the series is to build understanding of the nature, importance and influence of Midwestern writers and literature. Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works.

Publishers' Weekly, 1895 **Canadian Books in Print. Author and Title Index**, 1975 **The Library Journal Book Review**, 1977 UNDERWORLDS MAGAZINE NO 1 Thomas Deja, 2023-10-31 UNDERWORLDS is a tri annual paperback magazine that seeks to create a bridge between crime fiction especially but not necessarily exclusively of the noir school and horror fiction. Because of its general air of emotional and psychological darkness as well as its frequent themes of hopelessness, betrayal and passions gone wrong the crime fiction of such writers as Jim Thompson, Cornell Woolrich and David Goodis shares a lot of resonance with horror fiction. Some of the above referenced writers have produced what could arguably be called horror fiction in the past like Thompson's ending to THE GETAWAY and his novel THE KILLER INSIDE ME. UNDERWORLDS a double edged title as it has different yet similar meanings in both crime and horror fiction seeks to allow writers the opportunity to explore the nexus between these two genres and gives readers of both genres a glimpse into the world of the other.
