*The Heart of a Father* Karl Thompson,2019-12-31 A book on the heart of a father can be multidimensional The two areas that I will focus on are faith and finances which are key to becoming productive citizens God placed us on earth to occupy and have dominion over it We were created to be citizens of God s kingdom Therefore as believers we have dual citizenship status Despite geographic boundaries we have one common homeland called earth and one common fatherland called heaven Citizenship has responsibilities It requires strong faith in God our creator On earth we are required to carry out responsibilities as part of our dominion mandate We are required to meet our financial responsibilities and respect and love each other That means we must be financially educated We must demonstrate prudent use of the gifts that he has given us and attest to his goodness Man has yet to demonstrate true citizenship *Kickass*
