The Colonial Bastille Peter Zinoman, 2001-03-04 Peter Zinoman's original and insightful study focuses on the colonial prison system in French Indochina and its role in fostering modern political consciousness among the Vietnamese Using prison memoirs newspaper articles and extensive archival records Zinoman presents a wealth of significant new information to document how colonial prisons rather than quelling political dissent and maintaining order instead became institutions that promoted nationalism and revolutionary education *Lost Modernities* Alexander Woodside, 2006-05-30 In *Lost Modernities* Alexander Woodside offers a probing revisionist overview of the bureaucratic politics of preindustrial China Vietnam and Korea He focuses on the political and administrative theory of the three mandarinates and their long experimentation with governments recruited in part through meritocratic civil service examinations remarkable for their transparent procedures The quest for merit based bureaucracy stemmed from the idea that good politics could be established through the development of people the training of people to be politically useful Centuries before civil service examinations emerged in the Western world these three Asian countries were basing bureaucratic advancement on examinations in addition to patronage But the evolution of the mandarinates cannot be accommodated by our usual timetables of what is modern The history of China Vietnam and Korea suggests that the rationalization processes we think of as modern may occur independently of one another and separate from such landmarks as the growth of capitalism or the industrial revolution A sophisticated examination of Asian political traditions both their achievements and the associated risks this book removes modernity from a standard Eurocentric understanding and offers a unique new perspective on the transnational nature of Asian history and on global historical time *The Tale of Kieu* , 1983-01-01 Since its publication in the early nineteenth century this long narrative poem has stood unchallenged as the supreme masterpiece of Vietnamese literature Th ng's new and absorbingly readable translation on pages facing the Vietnamese text is illuminated by notes that give comparative passages from the Chinese novel on which the poem was based details on Chinese allusions and literal translations with

Cope,2015-05-14 Encounters whether first or subsequent or whether cultural economic or ideological mark the beginning of an acquaintance and measure both similarities and differences What happens after an opening encounter is the topic of Citizens of the World Adapting in the Eighteenth Century Taking as its point of embarkation awareness of the mutuality of foreignness of the unfamiliarity that characterizes all parties to a meeting of the minds ways or traditions this exploratory volume considers the many approaches and strategies to adaptation in the Enlightenment and the long and complex process of reciprocal adjustment that created this enthusiastically outgoing era internationally The eight essays of this volume examine four varieties of adaptation the interdisciplinary in which expanding realms of knowledge collide but cooperate the transnational in which longstanding traditions merge and hybridize the gendered in which personal identity and public pursuits negotiate and the general in which the adapting mentality energizes unprecedented efforts at ingenious recombination Whether in cast and fired pottery or aboard imagined airships adaptation the authors in this volume demonstrate all but defines a century in which the all but implies perpetual adjustment to everything else **The A to Z of Vietnam** Bruce M. Lockhart,William J. Duiker,2010-04-14 Vietnam became part of French Indochina in 1887 and did not regain its independence again until after the Vietnam War However despite a relatively peaceful two decades the country experienced little economic growth because of conservative leadership policies In an effort to change this stagnation Vietnamese authorities have committed to economic liberalization and enacted structural reforms needed to modernize the economy and to produce more competitive export driven industries The A to Z of Vietnam focuses on the recent changes and leadership of Vietnam while giving due attention to the earlier kingdoms the period of French Indochina the wars for liberation the Vietnam War and much more Hundreds of cross referenced A to Z dictionary entries are included on political economic social and cultural aspects as well as the major cities and geographic features This book also contains a chronology and introduction that traces Vietnam s history as well as a bibliography **United States and Asia at War: A Cultural Approach** Philip West,Steven I. Laos and Cambodia How did Vietnam's smaller Southeast Asian environment modify and distort classical East Asian institutions Woodside has answered these questions in this well received political and cultural study This first real comparison of the civil governments of two traditional East Asian societies on an institution by institution basis is now reissued with a new preface WLA ,1998 Historical Dictionary of Vietnam Bruce M. Lockhart,William J. Duiker,2006-02-27 Vietnam became part of French Indochina in 1887 and did not regain its independence again until after the Vietnam War However despite a relatively peaceful two decades the country experienced little economic growth because of conservative leadership policies In an effort to change this stagnation Vietnamese authorities have committed to economic liberalization and enacted structural reforms needed to modernize the economy and to produce more competitive export driven industries The third edition of this dictionary focuses on the recent changes and leadership of Vietnam while giving due attention to the earlier kingdoms the period of French Indochina the wars for liberation the Vietnam War and much more Hundreds of cross referenced A to Z dictionary entries are included on political economic social and cultural aspects as well as the major cities and geographic features This book also contains a chronology and introduction that traces Vietnam's history as well as a bibliography *In Search of Southeast Asia* David Joel Steinberg,David P. Michele Thompson,2015-06-30 While reshaping our understanding of the history and development of traditional Vietnamese medicine in the 19th and 20th centuries Michele Thompson's new book reaches across disciplines to open important perspectives in Vietnamese colonial and social history as well as our understanding of the Vietnamese language and writing systems Traditional Vietnamese medicine is generally understood as an import from the Chinese tradition Thompson's detailed historical and linguistic research restores agency and voice to practitioners of Vietnamese medicine showing how the adoption of Chinese and then Western ideas of medicine in the 19th and 20th centuries relied on indigenous Vietnamese concepts of health and the human body She mines medical manuscripts in Chinese and in Nom vernacular Vietnamese to capture various aspects of the historical interaction between Chinese and Vietnamese thought She presents a detailed analysis of the Vietnamese response to a Chinese medical technique for

preventing smallpox and to the medical concepts associated with it looking at Vietnamese healers from a variety of social classes Thompson's account brings together colorful historical vignettes contemporary observations and interviews and textual analysis It stands out as a demonstration of the power of the history of medicine to illuminate adjacent fields of enquiry It will be of interest to historians of medicine globally and in East Asia as well as to students of Vietnam and its complex process of modernization **The Cambridge History of Southeast Asia** Nicholas Tarling, 1999 This history covers mainland and island Southeast Asia from Burma to Indonesia Volume I is from prehistory to c1500 Volume II discusses the area's interaction with foreign countries from c1500 c1800 Volume III charts the colonial regimes of 1800 1930 and Volume IV is from World War II to 1999 Bulletin of Bibliography ,1991
