**The Guest in the Garden and Other Poems** Kit Tremaine,1989      The Southern Garden Poetry Society David B Honey,2013-03-06 What has traditionally been the main matter explored by Cantonese literati From the earliest poets oceanic elements and riparian scenes contrasted with stunning rock formations a love for the exotic especially local plants products and lore Daoist transcendentalism and finally a concern for pointing up local loyalty to the distant throne and a fierce pride in being culturally authentically Chinese The Southern Garden Poetry Society in Guangzhou was the only major literary club in Chinese history to be periodically reconvened over the Ming Qing and Republican eras Beginning with an examination of its five founding members during the Yuan Ming transition period in particular Sun Fen 1335 1393 David Honey traces the various elements of this Southern Muse that became embodied in later Cantonese poetry and pursues the issue of social memory by focusing on later reconvenings of the society      **April Twilights and Other Poems** Willa Cather,2013-03-26 Before Willa Cather went on to write the novels that would make her famous she was known as a poet the most popular of her poems reprinted many times in national magazines and anthologies Her first book of poetry April Twilights was published in 1903 but Cather significantly revised and expanded it in a 1923 edition entitled April Twilights and Other Poems This Everyman s Library edition reproduces for the first time all the poems from both versions of April Twilights along with a number of uncollected and previously unpublished poems by Cather as well as an illuminating selection of her newly released letters In such lyrical poems as The Hawthorn Tree Winter at Delphi Prairie Spring Poor Marty and Going Home Cather exhibits both a finely tuned sensitivity to the beauties of the physical world and a richly symbolic use of the landscapes of myth The themes that were to animate her later masterpieces found their first expression in these haunting elegiac ballads and sonnets      **Finding List of the Free Public Library of Newark, N.J.** Newark Public Library,1893      **Metamorphosis of the Private Sphere** Xiaoshan Yang,2020-05-11 The Chinese garden has been explored from a variety of angles Much has been written about its structural features as well as its cosmological religious philosophical moral aesthetic and economic underpinnings This book deals with the poetic configurations of the private garden in cities from the ninth to the eleventh century in relation to the development of the private sphere in Chinese literati culture It focuses on the ways in which the new values and rhetoric associated with gardens and the objects found in them helped shape the processes of self cultivation and self imaging among the literati as they searched for alternatives to conventional values at a time when traditional political moral and aesthetic norms were increasingly judged inapplicable or inadequate The garden was also an artifact and a locus for material culture and social competition Focusing on a series of anecdotes about private transactions involving objects in gardens the author dissects the intricate nexus between the exchange of poetry and the poetry of exchange In tracing the development of the private urban garden through the writings of Bai Juyi Su Shi Sima Guang and their contemporaries the author argues that this private space figured increasingly as a

place of disengagement for those out of political power and hence was increasingly invaded by political forces **A History of American Literature Since 1870** Fred Lewis Pattee, 1915 *The academy*, 1895 The Melody of Earth
