Reading the Bible in a Secular Age Julius-Kei Kato, 2023-07-24 In a secular age which dismisses once revered matters such as Bible reading is there still a point to reading and studying Christianity s foundational text This book will answer an unequivocal Absolutely Why For us located in the West the Bible is a vital part of our spiritual ancestry a dominant idea of the book Hence learning how to read and interpret the Bible properly particularly the New Testament is like getting to know our spiritual ancestry better The main strategy that this work will suggest is to treat the New Testament as a metaphorical textual village where some of our most important spiritual ancestors continue to live If we learn some good strategies to communicate with them we will be able as it were to visit this village have meaningful conversations with our spiritual ancestors and thus become better grounded in our spiritual ancestry here in the West With that we can return to our secular context better equipped both to embrace and wrestle with that spiritual ancestry Hopefully that will also help us to create for ourselves a meaning system or spirituality that would be appropriate for our present world while being well grounded in our spiritual tradition
