

A Handbook of Jewish thought

There are a number of ideas that literally form the backbone of Judaism. Without knowledge of these ideas, it is virtually impossible to know how Judaism came to be as it is today, or how it functions. Unfortunately, however, the more one hears the idea, the less the average person knows about it.

The Handbook Of Jewish Thought Volume 2:

A Christian's View of the Torah Matt P. Simmons, 2012-03-22 A Christian's View of the Torah is a series of essays illustrating how the Torah uses numerous literary devices often seen in great works of art such as symbolism parallelism reflections and repeated themes This book presents the Bible or at least the Torah as a unified whole with consistent underlying themes rather than a collection of disjointed stories And it shows from the Christian point of view how the Torah points toward Christ and His church Most biblical study guides fall into two extremes At one end of the spectrum they are directed toward the uninitiated or new Christian and are therefore so simplistic that they give no new insights to a Christian wanting to grow At the other extreme they are so academic that a doctorate in divinity is required to get anything out of them A few strive to touch the middle ground which allows the average Christian to grow and to add to his faith A Christian's View of the Torah is an attempt to strike the middle ground This book is not intended as an evangelistic tool but as an aid for those who wish to move from the milk to the meat of the Word and gain some new insights to old familiar stories It is intended for those who have a working knowledge of the Bible particularly the Torah the Historical Books the Gospels Acts and the Epistles in short Genesis through Second Chronicles and Matthew through Jude This is a single Christian's point of view

Kabbalistic Teachings of the Female Prophets J. Zohara Meyerhoff Hieronimus, 2008-07-21 The spiritual teachings of Israel's biblical prophetesses from a kabbalistic perspective Explores the lives and symbolic significance of seven female prophets Sarah Miriam Devorah Chanah Avigail Chuldah and Esther Uses the gematria of Jewish metaphysics to demonstrate that prophecy is a mystical initiatory path by which Divine Will is made known not only a tool for telling the future Presents practical applications of kabbalistic teachings for spiritual development The seven prophetesses of Israel Sarah Miriam Devorah Chanah Avigail Chuldah and Esther lived between 1800 and 350 BCE Their combined lives reflect a kabbalistic path of spiritual evolution that is as pertinent to our lives today as it was for the biblical communities in which they lived From her studies of the Torah and classical gematria Zohara Hieronimus shows that each prophetess is linked to a Sefirah on the kabbalistic Tree of Life from creation Sarah through learning correct

moral action Deborah to the promise of redemption and ultimately resurrection Esther Using the stories of their lives and teachings Hieronimus reveals the relationship of each prophetess to the seven days of the week the seven sacred species of Israel the human body and Jewish holidays and rituals This book presents the kabbalistic teachings of these holy women and what they reveal about the initiatory path of individual development and redemption The seven prophetesses show that every person has a part to play in the repair of the world and Hieronimus gives a practical set of maps and spiritual guidelines for that journey

Prophet Muhammad (Peace Be Upon Him) in the Bible Dr. S.M. Mohiuddin Habibi, Syed Ahsan Habibi,2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers The seekers of truth Be certain of

the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170 *Seventh Heaven* Moshe Mykoff,2011-10-22 Deepen your understanding of Shabbat awaken to the possibilities and experience the day with an extra measure of holiness Seventh Heaven delves into the art of consciously observing Shabbat exploring many of the day s traditional religious practices within the context of life s spiritual dynamics With the help and wisdom of Rebbe Nachman of Breslov one of the most important of the early Hasidic masters this guidebook offers insight into the deeper meaning and purpose of a broad range of Shabbat observances and seeks to show how each custom or law fits within the whole In accessible easy to understand language 7th Heaven is a spiritual guide for all levels of Shabbat observance If Shabbat is new to you or you ve experienced it only in its popular form but would like to deepen your understanding and connection If Shabbat is something you grew up with but you were never taught the inner meaning of all the customs and laws you were told to obey If Shabbat has never been a part of your spiritual practice but you would like to learn more about the Jewish pathway to wholeness and higher consciousness Based on the teachings of Rebbe Nachman of Breslov 1772 1810 and those of his closest disciple Reb Noson the deep insights into Torah and spirituality revealed by these great Hasidic luminaries are as relevant in today s world as they were some two centuries ago when they were first taught **Running in Good Faith?** Alan D. Krinsky,2021-05-04 Could a religiously observant Jew in good conscience run as a libertarian candidate promoting a libertarian platform Or would doing so betray fundamental Jewish values Running in Good Faith Observant Judaism and Libertarian Politics considers the seemingly irreconcilable values and political commitments of Judaism and libertarianism The latter prizes individualism self ownership private property and freedom whereas the former emphasizes community charity and service of God But are these differences so sharp This book seeks to determine if this is an essential clash or merely an apparent one and to stimulate a broad discussion of Judaism values politics and political philosophy in order to call into question what people think they know about both Judaism and libertarianism *Better Health through Spiritual Practices* Dean D.
