**The Life of Samuel Johnson, LL.D.** James Boswell, Grosvenor Osgood, 2023-12-19 In The Life of Samuel Johnson LL D readers are invited into an expansive literary exploration that traverses the compelling biography of one of literature's most towering figures This anthology marked by its

rich tapestry of narrative styles offers a multifaceted depiction of Samuel Johnson's life and legacy through diverse pieces ranging from vivid personal anecdotes to incisive critiques of his works. The collection succeeds in capturing the profound nuances of Johnson's character and his intellectual milieu, presenting not only a personal narrative but a vivid cross-section of 18th-century literary society. Edited and contributed to by James Boswell and Grosvenor Osgood, the anthology draws upon their comprehensive understanding of Johnson's world. Boswell's intimate acquaintance with Johnson breathes life into the narrative, while Osgood's scholarly perspective complements it by framing Johnson's legacy within the broader strokes of Enlightenment thought. This blend of intimate knowledge and scholarly context places the anthology at a unique intersection of biography and historical analysis, inviting readers to contemplate Johnson's influence on literary trends and cultural movements. *Life of Samuel Johnson* LL.D. is an essential read for those eager to immerse themselves in a confluence of perspectives that illuminate Johnson's contributions to literature and thought. Readers are encouraged to explore this volume not just for its detailed portrayal of Johnson's life but for the compelling dialogue it establishes between the authors and the broader historical context. Such a blend of insights makes this anthology an invaluable resource for understanding the complexity and continuing relevance of Johnson's legacy in literary history. Modernity, Metatheory, and the Temporal-Spatial Divide Michael Kimaid,2015-03-27 This book is about how modernity affects our perceptions of time and space Its main argument is that geographical space is used to control temporal progress by channeling it to benefit particular political economic and social interests or by halting it altogether By incorporating the ancient Greek myth of the Titanomachy as a conceptual metaphor to explore the elemental ideas of time and space the author argues that hegemonic interests have developed spatial hierarchy into a comprehensive system of technocratic monoculture which interrupts temporal development in order to maintain exclusive power and authority This spatial stasis is reinforced through the control of historical narratives and geographical settings While increasingly comprehensive the author argues that this state of affairs can best be challenged by focusing on the development of unmappable places which presently exist within the socio spatial matrix of the modern world
