Emerson Goes to the Movies Justyna Fruzińska, 2014-10-16 Emerson Goes to the Movies Individualism in Walt Disney Company's Post 1989 Animated Films traces the theme of Emersonian individualism in the Walt Disney Company's post 1989 animated films to reveal that the philosopher's influence extends not only over American literature but also over American popular culture in this case Disney cartoons It proves that individualism in its Emersonian formulation of self reliance even if questionable in late 20th and 21st century literature is still very much alive in popular culture Disney films are heavy with ideology and American national myths and because of their educational role it seems relevant to acknowledge this dimension and discuss the sources of the Disney worldview This book instead of focusing on Disney's influence upon its audience concerns rather what influences Disney how Disney reflects the American mentality and how the idea of individualism is depicted in the Company's particular films The principal way of reading particular Disney films is the Cultural Studies approach Thus the book presents Romantic individualism with reference to such categories as race gender class and imperialism The idea behind such an approach is to see how various cultural fields intersect with individualism whether individualism means the same for men and women whether as an American ideology it succeeds at erasing differences when applied to exotic and non individualist cultures whether the individual turns out to be stronger than all social divides and whether individualism can be seen as informing the American mentality on a national scale **The Animated Movie Guide**

Jerry Beck, 2005-10-28 Going beyond the box office hits of Disney and Dreamworks this guide to every animated movie ever released in the United States covers more than 300 films over the course of nearly 80 years of film history Well known films such as Finding Nemo and Shrek are profiled and hundreds of other films many of them rarely discussed are analyzed compared and catalogued The origin of the genre and what it takes to make a great animated feature are discussed and the influence of Japanese animation computer graphics and stop motion puppet techniques are brought into perspective Every film analysis includes reviews four star ratings background information plot synopses accurate running times consumer tips and MPAA ratings Brief guides to made for TV movies direct to video releases foreign films that were never theatrically released in the U S and live action films with significant animation round out the volume Disney Presents a Pixar Film

The Heart Of Atlantis Kida Seven: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The Heart Of Atlantis Kida Seven : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Heart Of Atlantis Kida Seven : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
