Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized

from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation **Sir John's Vision** Paul Davies, George R. Ellis, Keith Ward, 2018-08-13 In 2017 the year marking the 105th anniversary of the birth of Sir John Templeton a group of scientists scholars and advisors who knew him personally gathered in Lyford Cay in the Bahamas Their purpose to discuss how the Foundation that bears his name could best extend his philanthropic vision into the twenty first century This volume is a result of that meeting a collection of thirteen essays written by experts in fields that most fascinated Sir John The contributors assess the Foundation's fidelity to its founder's intent chart promising avenues for future grantmaking and champion Sir John's contrarian mission of unlocking life's deepest mysteries The members of the John Templeton Foundation are the custodians of Sir John's vision bold in its aspiration humble in its approach charged with using the tools of science to advance the frontiers of the spirit May the essays collected here serve as inspiration as we carry that vision forward

Morals Not Knowledge John H. Evans, 2018-02-09 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program for monographs Visit www.luminosoa.org to learn more In a time when conservative politicians challenge the irrefutability of scientific findings such as climate change it is more important than ever to understand the conflict at the heart of the religion vs science debates unfolding in the public sphere In this groundbreaking work John H Evans reveals that with a few limited exceptions even the most conservative religious Americans accept science's ability to make factual claims about the world However many religious people take issue with the morality implicitly promoted by some forms of science Using clear and engaging scholarship Evans upends the prevailing notion that there is a fundamental conflict over the way that scientists and religious people make claims about nature and argues that only by properly understanding moral conflict between contemporary religion and science will we be able to contribute to a more productive interaction between these two great institutions **Religion and Medicine** Jeffrey S. Levin, 2020 In Religion and Medicine Dr Jeff Levin distinguished Baylor University epidemiologist outlines the longstanding history of multifaceted interconnections between the institutions of religion and medicine He traces the history of the encounter between these two institutions from antiquity through to the present day highlighting a myriad of contemporary alliances between the faith based and medical sectors Religion and Medicine tells the story of religious healers and religiously branded hospitals and healthcare institutions pastoral professionals involved in medical missions healthcare chaplaincy and psychological counseling congregational health promotion and disease prevention programs and global health initiatives research studies on the impact of religious and spiritual beliefs and practices on physical and mental health well being and healing programs and centers for medical research and education within major universities and academic institutions religiously informed bioethics and clinical decision making and faith based health policy initiatives and advocacy

approaches to the study of science and religion Individually and together the essays show how the study of ourselves our planet and the universe helps us understand our place as spiritual beings within God s universe The book is a tribute to Sir John Templeton and his pioneering commitment toward new research that results in one hundredfold more spiritual information than humankind has ever possessed before It begins with essays that reflect on Sir John s principal domains of interest and expertise free enterprise based finance and accelerating spiritual progress Themes of the sections are Science Religion Dialogue Cosmology Physics and Astronomy Mathematics Musicology and Speculation Biological Evolution the Human Being Social Evolution the Human Mind and Heart Religion and Health The Nature of the Divine Theology and Philosophy Faith Traditions Sir John s leadership has enabled us to edge ever closer to the frontier where knowledge meets wisdom at the threshold of ultimate reality notes the editor in the preface to this volume As Spiritual Information presents an overview of how far we have come in the science and religion dialogue it also opens windows to the vast possibilities for additional research and further advances in spiritual information

Vying for Truth - Theology and the Natural Sciences Hans Schwarz,2014-06-18 The emancipation of the natural sciences from religion was a gradual affair during the last four centuries Initially many of the leading scientists were churchmen indicating a symbiosis between faith and reason Due to the increasing specialization in the sciences this close connection came to an end often leading to antagonism and mutual suspicion This book traces this historical development with its twists and turns in both Europe and North America It depicts the major players in this story and outlines their specific contributions The main focus is on the 19th and 20th centuries with figures such as Darwin and Hodge but also Beecher and Abbott in the 19th century In the 20th century the narrative starts with Karl Barth and moves all the way to Hawking and Tipler Special attention is given to representatives from North America Great Britain and Germany In conclusion important issues are presented in the present day dialogue between theology and the natural sciences The issue of design and fine tuning is picked up and advances in brain research Finally technological issues are assessed and the status of medicine as a helpmate for life is discussed An informative and thought provoking book

God in Proof Nathan Schneider,2013-06-10 In this tour of the history of arguments for and against the existence of God Nathan Schneider embarks on a remarkable intellectual historical and theological journey through the centuries of believers and unbelievers from ancient Greeks to medieval Arabs to today s most eminent philosophers and the New Atheists Framed by an account of Schneider s own unique journey God in Proof illuminates the great minds who wrestled with one of history s biggest questions together with their arguments bringing them to life in their time and our own Schneider s sure handed portrayal of the characters and ideas involved in the search for proof challenges how we normally think about doubt and faith while showing that in their quest for certainty and the proofs to declare it thinkers on either side of the God divide are often closer to one another than they would like to think

Methods in Religion, Spirituality & Aging James W. Ellor,2013-10-18 Since the 1971 White House Conference on Aging in the United

States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation

Spirituality in Business J. Biberman, L. Tischler, 2008-05-12 An innovative look at some of the latest research on the intersection of spirituality and business

Compassionate Love and Ebony Grace Kortright Davis, 2012-03-22 Why is the Golden Rule so central in almost every culture and religion What is it that drives human beings to do good to others Are altruism compassion and forgiveness natural forms of human behavior or do they have to be learned and practiced in the neural context of our primal instincts for survival and self defense These are some of the questions that lie behind the study of Compassionate Love amongst people of color Davis explores the patterns and contours of other love which he defines as a selfless regard for the well being of others He also examines the basis for distinctive modes of compassionate behavior enriched by ebony grace a theological attribution for people of African descent This text focuses especially on the historical cultural and religious heritage that inspires and empowers such attitudes in spite of constant encounters with systemic negation social alienation and unrelenting racism How is it that Black families in the home school and church still support sustain and succeed in the practice of unyielding love in compassion That is the magic and mystery within contemporary Black cultural norms and moral values This text is a powerful attempt to contribute to the debate on Christian altruism

Is There Purpose in Biology? Denis Alexander, 2018-06-22 Atheists assert that the natural world has no meaning or purpose Dr Denis Alexander

Emeritus Director of The Faraday Institute for Science and Religion at St Edmunds College Cambridge draws a different conclusion Not only do recent evolutionary biological data appear inconsistent with the claim that the world is purposeless but the Christian doctrine of creation has provided and continues to provide both context and stimulus for the study of the natural world Christians started biology However is a belief in an omnipotent benign Creator consistent with a world of pain and suffering From a lifetime s study in the biological sciences Denis Alexander believes that whilst the cost of existence is extremely high it can nonetheless be squared with the idea of a God of love whose ultimate purposes for humankind render that cost more comprehensible *Inherit the Holy Mountain* Mark Stoll,2015-04-30 *Inherit the Holy Mountain* puts religion at the center of the history of American environmentalism rather than at its margins demonstrating how religion provided environmentalists with content direction and tone for the environmental causes they espoused *Is Ultimate Reality Unlimited Love?* Stephen G. Post,2014-05-12 This book draws from previously unpublished letters and interviews with physicists theologians and Sir John s close associates and family to present Sir John s ideas on pure unlimited love Post who was in dialogue with Sir John for fifteen years on this topic and who had founded the Institute for Research on Unlimited Love www.unlimitedloveinstitute.com addresses how John Templeton arrived at his philosophy as a youth growing up in Tennessee Post also shares how classical Presbyterian ideas came to synergize in his mind with the more Eastern influences of American transcendentalism and the Unity School of Christianity and ponders if Sir John truly believed that science and spirituality might fully converge on the same view of Ultimate Reality with their very different ways of knowing *Is Ultimate Reality Unlimited Love* presents Sir John s hope for spiritual progress with the eventual convergence of ultimate reality and unlimited love **God and Man on Wall Street, The Conscience of Capitalism** Mark Hendrickson,2012-08-20 This remarkable book will change the way you look at fixing Wall Street and redeeming capitalism Scott Umstead President Fusion Investment Group Fed up with Wall Street You re not alone It doesn t have to be this way Craig Columbus and Mark Hendrickson turn the subject of financial reform upside down The authors pull no punches taking both Wall Street and central bankers to task They also show you a different side of the financial system reminding us of the good Wall Street is capable of doing This hopeful book connects the head and the heart of free markets uncovering original solutions that cannot be reached by regulations alone Written for the financial professional and layman alike *GOD AND MAN ON WALL STREET* will both challenge and inspire you <https://plus.google.com/u/0/117681616430711223508/videos/117681616430711223508> **FBI & an Ordinary Guy - The Private Price of Public Service** Mark Johnston,2015-12-01 FBI land pirates I personally had many successes but hard won victories eventually sapped my energy and spirit Along the way I had to come to grips with the murders of a squad partner two New York City cops and several government witnesses The public knows little about the stress and high emotional costs the guardians of their safety pay in the constant battle against crime and terror The favorite antidotes of many law enforcement peers crawling into a bottle or the wrong bed proved to provide little long

lasting comfort FBI An Ordinary Guy reveals the inner working of the FBI the humanness of its family members and the real life story behind some of its major cases But this factual account is told through a genuine framework of the bitter sweet contrast of the gritty horrors of law enforcement versus affectionate father to daughter communication via never mailed letters to my children

The Routledge Handbook of Religious Literacy, Pluralism, and Global Engagement Chris Seiple, Dennis R. Hoover, 2021-12-27 This pioneering handbook proposes an approach to pluralism that is relational principled and non relativistic going beyond banal calls for mere tolerance The growing religious diversity within societies around the world presents both challenges and opportunities A degree of competition between deeply held religious worldview perspectives is natural and inevitable yet at the same time the world urgently needs engagement and partnership across lines of difference None of the world s most pressing problems can be solved by any single actor and as such it is not a question of if but when you partner with an individual or institution that does not think act or believe as you do The authors argue that religious literacy defined as a dynamic combination of competencies and skills continuously refined through real world cross cultural engagement is vital to building societies and states of neighborly solidarity and civic fairness Through examination reflection and case studies across multiple faith traditions and professional fields this handbook equips scholars and students as well as policymakers and practitioners to assess analyze and act collaboratively in a world of deep diversity The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
