## **Sister Keepers:**

**My Sister's Keeper** L.M. Lane,1879      **My Sister's Keeper** Jodi Picoult,2009-05-19 Anna is not sick but she might as well be By age 13 she has undergone countless surgeries transfusions and shots so that her older sister Kate can somehow fight the leukemia that has plagued her since childhood      *My Sister's Keeper* Jodi Picoult,2004-04-06 Written with grace wisdom and sensitivity this novel is about a teen who was conceived as a bone marrow match for her sister Kate and what happens when she begins to question who she really is      *No Sister's Keeper* Jeanne G'Fellers,2013-01-01 In a society divided by birth upbringing education and status young Chandrey Brava is raised in a conservative sect but leaves home at sixteen for the Taelach Training Grounds Na ve and used to harsh discipline she doesn t recognize that Cance Lynn Creiloff is playing with her heart Seeing Cance through a serious injury Chandrey follows her to the Cleave a sharply fundamental group being eroded from within by those who welcome the servitude of thralls Cance s increasingly vicious treatment of Chandrey raises eyebrows but no more Only her family can liberate her unless she finds allies within the Cleave There may be one Taelach who can help her the mysterious Belsas Exzal Bravery resilience and stoic resistance are the hallmarks of this prequel to the award winning *No Sister of Mine*      *Our Sisters' Keepers* Jill Bergman,Debra Bernardi,2005-08-28 American culture has long had a conflicted relationship with assistance to the poor Cotton Mather and John Winthrop were staunch proponents of Christian charity as fundamental to colonial American society while transcendentalists harbored deep skepticism towards benevolence in favor of Emersonian self reliance and Thoreau s insistence on an ascetic life Women in the 19th century as these essays show approached issues of benevolence far differently than their male counterparts consistently promoting assistance to the impoverished in both their acts and their writings      **My Sister's Keeper** Kerry Duke,1999-01-01      **The Sister Keepers** Marian Jones,2000 Around the top frame of the old State Teacher s College classroom chalk board runs the Spanish proverb Since we do not receive what we want from life we must learn to love what we get In 1917 six young women form an eat lunch elegantly while studying Spanish club that expands into the school s first sorority and keeps going for seventy five years in spite of scandals tragedies a husband snatching sister homicide two world wars the dreadful Armenian Genocide of 1916 and its effect fifty years later on two of the sisters      *Making a Sister* Epes Winthrop Sargent,1910      **God's Absolute Love Truth** Joy Maloy,2020-08-25 In the Bible we read in Isaiah 55 8 9 that God s thoughts and ways are higher than our thoughts and ways as higher as the heavens are higher than the earth higher So why wouldn t we want to know what they are And even though the Bible inspired by God was written by different men at different times in history it is consistent In fact we see things repeated throughout it that can teach us something about God For instance when we see fingers in the Bible we can find a message about judgment In this book we follow things that are repeated in the Bible to learn about God God s word is amazing like that And God s Word is the absolute love truth

**Having Brunch with God** Cononiah M. McCarthy,2022-10-11 If you are seeking a closer relationship with God or

looking to delve deeper into God's word and making His word practical for you Having Brunch With God will create the atmosphere for it to happen Having Brunch With God is a 52 week journey that will show you from scriptures God's intentions for you and how you can live out His ways You will unearth all of this through Hebraic understandings scriptural exposition and author experiences Having Brunch With God also includes engaging weekly activities that will really fatten your faith This fattened and nourished faith will ultimately deepen your relationship with Abba Father Over the 52 week journey the beautiful thing you will learn is that when you listen to God's words His guidance and His instructions you will set yourself up to eat from the blessings of His table *Two Rivers Run* Jennifer San Filippo, 2020-10-13 A river runs to the sea and another to the sky Sixteen year old Ama only knows the Mountain a subterranean web of caves where her people have lived for generations Their sole source of water and life comes from the Pearl the magical heart of the Great Dragon It is Ama's lifelong dream to join the keepers the mysterious women who tend to the Pearl but she soon learns it is not what she expected Camden's got a dream of his own to prove himself as a hotshot fighter pilot for the Coalition Air Force His first campaign on an aircraft carrier is just a routine weapons test but that won't stop him from making a name for himself Somehow Both teens soon find themselves questioning everything they've been told as a fated collision of opposing forces threatens to destroy both their worlds Religious Ethics and Migration Ilse Ahn, 2013-11-12 What does it mean to provide justice for undocumented workers who have been living among us without proper legal documentation How can we do justice to the undocumented migrants who have been doing the low skilled low paid jobs unwanted by citizens Why should we even try to do justice for people who violate the laws of the society Religious Ethics and Migration Doing Justice to Undocumented Workers addresses these questions from a distinctive religious ethical perspective the Christian theology of forgiveness and radical hospitality In answering these questions the author employs in depth interdisciplinary dialogues with other relevant disciplines such as immigration history global economics political science legal philosophy and social theory He argues that the political appropriation of a Christian theology of forgiveness and the radical hospitality modeled after it are the most practical and justifiable solutions to the current immigration crisis in North America Critical and interdisciplinary in its approach this book offers a unique comprehensive and balanced perspective regarding the urgent immigration crisis

**Women, Philanthropy, and Social Change** Elayne Clift, 2005 The definitive book on women and philanthropy essential reading for scholars students donors grantees and philanthropists *Helping Youth Interpret the Bible* A. Roger Gobbel, 1984-01-01 This dynamic approach to biblical study and interpretation gives pastors Christian educators parents and young people the tools with which to work together in sharing a new adventure in Christian faith *Helping Youth Interpret the Bible* gives young people the opportunity to be active participants in interpretation as part of learning and living as Christians *S'more Parables from Paradise* Kenneth Smith, 2003-12 Hawai'i is more than tourist facilities on the sandy beaches of the blue Pacific Ocean Behind the scenes there are real people of diverse cultures with great historical sequences S'more

Parables from Paradise explores the people the cultures the flora and the fauna of the tropical islands A parable is an earthly story with a heavenly meaning Behind these parables of paradise are bits of spiritual sustenance that enable a person to grow spiritually Join the author that through his eyes and ears you may experience a new Hawai i Fall in love with an Aloha that binds many together and makes Hawai i a very special place and event *Women and Crime* Judith Ann Warner,2012-07-19

Drawing on government data and interdisciplinary expertise this timely book seeks to explain why the changing economic and legal status of women has not reduced the gender gap in criminal offending *Women and Crime A Reference Handbook* examines how women s patterns of offending have changed over time in America from the Colonial period to the present The book sets the stage with a historical overview of women s criminal activity Subsequent chapters cover such topics as changes in women s status and patterns of offending the impact of childhood abuse on the development of criminality and how changes in law the War on Drugs and other crime policy have in fact increased the frequency of women s imprisonment and arrests International issues such as legalization of prostitution sex trafficking and women s involvement in organized crime including drug cartels are also explored Each chapter examines theory research law policy and key players in the evolving response to women s crime patterns Throughout the work the author links women s status victimization and offending patterns and suggests how crime control policy far from saving women is increasingly making it impossible for female offenders to live on the outside **The Punitive Turn** Deborah E. McDowell, Claudrena N. Harold, Juan Battle,2013-11-15

The Punitive Turn explores the historical political economic and sociocultural roots of mass incarceration as well as its collateral costs and consequences Giving significant attention to the exacting toll that incarceration takes on inmates their families their communities and society at large the volume s contributors investigate the causes of the unbridled expansion of incarceration in the United States Experts from multiple scholarly disciplines offer fresh research on race and inequality in the criminal justice system and the effects of mass incarceration on minority groups economic situation and political inclusion In addition practitioners and activists from the Sentencing Project the Virginia Organizing Project and the Restorative Community Foundation among others discuss race and imprisonment from the perspective of those working directly in the field Employing a multidisciplinary approach the essays included in the volume provide an unprecedented range of perspectives on the growth and racial dimensions of incarceration in the United States and generate critical questions not simply about the penal system but also about the inner workings failings and future of American democracy Contributors Ethan Blue University of Western Australia Mary Ellen Curtin American University Harold Folley Virginia Organizing Project Eddie Harris Children Youth and Family Services Anna R Haskins University of Wisconsin Madison Cheryl D Hicks University of North Carolina at Charlotte Charles E Lewis Jr Congressional Research Institute for Social Work and Policy Marc Mauer The Sentencing Project Anoop Mirpuri Portland State University Christopher Muller Harvard University Marlon B Ross University of Virginia Jim Shea Community Organizer Jonathan Simon University of

**Women's Crimes, Criminology, and Corrections** Joycelyn M. Pollock, 2014-04-14 Historically women have been an afterthought in criminal justice policymaking and the criminological enterprise The study of criminology has largely been the study of criminal men because women commit less crime than men More recently criminologists have paid increased attention to the population of female offenders partly because of their growing numbers and partly because of the tens of thousands of children affected by having their mothers in prison or on supervised release The recent attention however has not necessarily been a good thing for women who are much more likely to be formally prosecuted and incarcerated today than in decades past This policy shift has come about partly because of misinformed policies implemented to help women and partly because of shifts in theorists beliefs and public perceptions that women and men are similar in their criminal motivations and should therefore be treated similarly The controversy surrounding this perception is the focus of this book To better comprehend the challenges facing women in the criminal justice system the author a winner of the Bruce Smith Sr Award from the Academy of Criminal Justice Sciences employs research findings and statistics to describe the prevalence and patterns of women s crimes review criminological theories specifically examining how well they explain female criminality understand female juvenile offenders reviewing crime rates theories relating to female delinquency and detention related issues look inside the women s prison to better understand female prisoners and their world examine classification and programming issues particularly the impact of gender specific programming and explore the problems experienced by women upon release and the related issue of women s recidivism

**Women, Crime, and Justice** Elaine Gunnison, Frances P. Bernat, Lynne Goodstein, 2016-05-19 Women Crime and Justice Balancing the Scales presents a comprehensive analysis of the role of women in the criminal justice system providing important new insight to their position as offenders victims and practitioners Draws on global feminist perspectives on female offending and victimization from around the world Covers topics including criminal law case processing domestic violence gay lesbian and transgendered prisoners cyberbullying offender re entry and sex trafficking Explores issues professional women face in the criminal justice workplace such as police culture judicial decision making working in corrections facilities and more Includes international case examples throughout using numerous topical examples and personal narratives to stimulate students critical thinking and active engagement
