by a few faithful retainers he was now on his way to perform that sacrifice Augustus was carried in his litter for he was old and the long stairs to the Capitol fatigued him He held the cage of doves which was his offering Neither priests nor soldiers nor councillors accompanied him only his nearest friends Torch bearers walked in front of him as if to force a way through the darkness of the night and behind him followed slaves carrying the tripod the charcoal the knives the holy fire and everything needed for the sacrifice On the way the emperor chatted gayly with his retainers and none of them noticed the infinite silence and calm of the night It was only on reaching the open place on the top of the Capitol which had been thought of for the new temple that it was revealed to them that something unusual was occurring *Man in the Blue Moon* Michael Morris,2012-08-17 He s a gambler at best A con artist at worst her aunt had said of the handlebar mustached man who snatched Ella Wallace away from her dreams of studying art in France Eighteen years later that man has disappeared leaving Ella alone and struggling to support her three sons While the world is embroiled in World War I Ella fights her own personal battle to keep the mystical Florida land that has been in her family for generations from the hands of an unscrupulous banker When a mysterious man arrives at Ella s door in an unconventional way he convinces her he can help her avoid foreclosure and a tenuous trust begins But as the fight for Ella s land intensifies it becomes evident that things are not as they appear Hypocrisy and murder soon shake the coastal town of Apalachicola and jeopardize Ella s family **Window Of Tomorrow** Joyce Stewart Smith,2017-11-29 Here is the opportunity for you the reader to get to know the stories of Joyce Stewart Smith In these narratives you can view life as a frightened child an enthusiastic teenager an adventurous bride a working mother a dedicated wife and a fun loving friend all through the eyes of one kind bright soul A soul who lit up every place she has ever entered who never met a stranger and whose laughter embodies joy Stories from the Blue Moon Cafe II Sonny Brewer,2003 Presents a collection of short stories from such authors as Tom Franklin Donald Hays Suzanne Hudson and Michelle Richmond A Far Way Home Jack Peters,2025-01-03 When fate severs the bond of a father and son it later exhorts both to undertake a quest for answers in this epic tale of love loss courage and redemption **The Music of Razors** Cameron Rogers,2007-05-01 Dark disturbing and filled with moments of real charm and magic The Music of Razors is the best first novel I ve seen this year Locus In nineteenth century Boston a young doctor on the run from the law falls in with a British confidence artist Together and with dire consequences they bring back to the light something meant to be forgotten A world away in London an absent father haunted by the voice of a banished angel presents his daughter with an impossible friend a clockwork ballerina For two centuries a bullet removal specialist has wielded instruments of angel bone in service to a forgotten power and now he vows to find someone else to shoulder the burden someone with a conscience of their own a strong mind and a broken will For a hundred years he has searched for the perfect contender and now he has found two a brother and a sister Walter and Hope Either will do Last night something stepped from little Walter s closet and he never woke up Now he travels the dark road between worlds no longer entirely boy nor wholly beast but with one goal in

secretly grateful for any excuse to leave her crumbling marriage behind in Sydney And Carrie who remained in Clare Valley is perhaps the most apprehensive Her marriage the nominal cause of the sisters estrangement is also on the rocks Was she wrong to have followed her heart and run off with Bett s fianc When Lola shares her special request that the girls stage a musical she has written their short visit becomes a much longer commitment As they are forced to spend more time together the sisters must confront the pain that lingers between them Preconceptions and misunderstandings are slowly put aside and the three find themselves gradually irresistibly enveloping one another once again until an unexpected turn of events changes everything in ways none of them could have ever imagined Layering the lighthearted antics of small town life with a heartbreaking story of loyalty lost and found *The Alphabet Sisters* is an unforgettable story of two generations of women who learn that being true to themselves means being true to one another **BONUS** This edition contains excerpts from Monica McInerney s *Lola s Secret At Home with the Templetons* *The Faraday Girls* *Family Baggage* *Greetings from Somewhere Else* and *Upside Down Inside Out* *There Will Be Stars* Billy Coffey, 2016-05-03 IN A LIFE FULL OF LIES HE FINALLY SETTLED FOR THE TRUTH No one in Mattingly ever believed Bobby Barnes would live to see old age Drink would either rot Bobby from the inside out or dull his senses just enough to send his truck off the mountain on one of his nightly rides Although Bobby believes such an end possible and even likely it doesn t stop him from taking his twin sons Matthew and Mark into the mountains one Saturday night A sharp curve blinding headlights metal on metal his sons screams Bobby s final thought as he sinks into blackness is a curious one There will be stars Yet it is not death that greets him beyond the veil Instead he returns to the day he has just lived and finds he is not alone in this strange new world Six others are trapped with him Bobby soon discovers that this supposed place of peace is actually a place of secrets and hidden dangers Along with three others he seeks to escape even as the world around him begins to crumble The escape will lead some to greater life others to endless death and Bobby Barnes to understand the deepest nature of love *Dene Hollow* Mrs. Henry Wood, 1888

The Arms of God Lynne Hinton, 2014-10-14 Alice is making her daughter dinner when her mother Olivia who left her at a day care center when she was four years old appears at her door Although Alice has managed to navigate an unforgiving foster care system to build a good life for herself she has never really recovered from her mother s disappearance Olivia s sudden reappearance is like a quiet unexplained gift Over the next couple of weeks Alice asks Olivia to dinner Olivia is always dropped off by a friend and sits peacefully as Alice and her daughter talk over the meal One afternoon Alice gets a call from the hospital telling her that Olivia is dead The only identification the hospital could find was Alice s number with the word daughter written underneath it She goes to pick up Olivia s things and finds the key to her apartment It is here that the mystery of Olivia s past is slowly uncovered and Alice begins to understand how the power of hatred can hold a woman down and how the power of friendship can lift her up again Not since her bestselling book *The Friendship Cake* has Hinton created characters who are so filled with heartache and fragile hope that they will become a permanent part of the reader s life
