Famous Five Go to Smuggler's Top Enid Blyton, 2009 **Five Go to Smuggler's Top** Enid Blyton, 1978 Smugglers and Smuggling Trevor May, 2014-08-10 Smuggling was rife in Britain between the seventeenth and mid nineteenth centuries and since then smugglers have come often to be romanticised as cheeky rogues as highwaymen of the coasts and Robin Hood figures The reality could be very different Cut throat businessmen determined to make a profit many smugglers were prepared to use excessive force as often as they used cunning and the officers whose job it was to apprehend them were regularly brutally intimidated into inaction Trevor May explains who the smugglers were what motivated them where they operated and how items ranging from barrels of brandy to boxes of tea would surreptitiously be moved inland under the noses of and sometimes even in collusion with the authorities *Healing the Vet's Heart* Annie Claydon, 2020-09-01 A veterinarian takes a second chance on love when he falls for his shy colleague in this medical romance Injured vet Drew Trevelyan is relieved to be back at work He just wants to leave his past behind but is irritated to learn he's relegated to desk duty Apart from one new project liaising with shy robotics engineer Caro Barnes At her cliff top cottage Drew discovers that finding ways to put the light back in Caro's eyes is restoring his own faith in life and love *Famous Five 4: Five Go To Smuggler's Top* Enid Blyton, 2010-12-02 Julian Dick Anne George and Timmy the dog find excitement and adventure wherever they go in Enid Blyton's most popular series In book four the Famous Five stay at the large old house at Smuggler's Top They discover secret hiding places underground

tunnels and one night they catch people signalling out to sea Are there still smugglers at Smuggler s Top The text in this edition has been sensitively edited for today s reader and is unillustrated **The Smugglers** Charles George Harper,1909

Opinions have ever been divided on the question of the morality or the immorality of smuggling This is not in itself remarkable since that subject on which all men think alike has not yet been discovered but whatever the views held upon the question of the rights and wrongs of the free traders craft they have long since died down into abstract academic discussion Smuggling is indeed not dead but it is not the potent factor it once was and to what extent Governments are justified in taxing or restricting in any way the export or the import of goods will not again become a living question in this country until the impending Tariff Reform becomes law There have been those who reading the proofs of this book have variously found in it arguments for and others arguments against Protection but as a sheer matter of fact there are in these pages no studied arguments either way and facts are here presented just as they are retrieved from half forgotten records with no other ulterior object than that of entertainment But if these pages also serve to show with what little wisdom p viwe are and generally have been governed they may not be without their uses England it may surely be gathered here and elsewhere is what she is by sheer force of dogged middle class character and in spite of her statesmen and lawgivers **Harlequin**

fantasy A survey of changing attitudes towards Blyton reveals contrasting ways of looking at her work and raises the question whether she was as reactionary a writer as she appeared **Murder, She Wrote: Debonair in Death** Jessica
