So Great Salvation Charles Caldwell Ryrie, 1990 *So Great Salvation* Charles Caldwell Ryrie, 1977-07-01 *The Theology of the Christian Life in J.I. Packer's Thought* Don J. Payne, 2006-06-01 This study offers a critical analysis of J I Packer s theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer s treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology

[The Gospel of the Christ](#) Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the

Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

Soteriology Steven R. Cook,2024-07-20 Soteriology is the study of salvation The word soteriology is derived from the Greek words soter which means savior and logos which means a word about or the study of something Soteriology is the sphere of systematic theology that speaks to the nature means scope and purpose of salvation It is an important theme that runs throughout Scripture and reveals the God who saves It touches on the attributes of God such as His holiness righteousness and justice concerning sin as well as His love mercy grace and goodness to save lost sinners who cannot save themselves Throughout this book we will examine the roles of God the Father God the Son and God the Holy Spirit concerning our salvation We will also explore the sinfulness of mankind and our total unworthiness to merit salvation by means of our good works

Following the Master Michael J. Wilkins,2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In Following the Master Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship Following the Master compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples Following the Master lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers

Praying for Miracles Courtney Daniel Dabney,2012-08-01 Miracles are woven into the fabric of society From Genesis to Revelation they are threads that run throughout the entire tapestry of Scripture It seems however that our society has waged an all out assault on miracles and their relevance Today biblical miracles are brushed aside as mere superstition or myth while God is dismissed as unnecessary Is there really a wonder working God Prayer is a powerful thing It is a two way conversation between a holy God and those He has chosen to redeem Prayer is not powerful because of the words we choose nor based upon the amount of faith that we possess but because we serve an awesome God who is able to step into our natural world and work miracles on our behalf So the question is not whether there is a God but rather how big is your God Our faith is literally stitched together by God s miraculous power

No Quick Fix Andrew David Naselli,2017-08-30 Every Christian struggles with sin and wants to be victorious in the fight Higher life theology also known as Keswick theology offers a quick fix for this struggle It teaches that there are two categories of Christians those who are merely saved and those who have really surrendered to Christ Those

who have Jesus as their Savior alone and those who have him as their Master as well If Christians can simply let go and let God they can be free of struggling with sin and brought to that higher level of spiritual life What could be wrong with that A lot it turns out In No Quick Fix a shorter and more accessible version of his book Let Go and Let God Naselli critiques higher life theology from a biblical perspective He shows that it leads not to freedom but to frustration because it promises something it has no power to deliver Along the way he tells the story of where higher life theology came from describes its characteristics and compares it to what the Bible really says about how we overcome sin and become more like Christ
