So Big Perennial Classics

Mary Ellen Snodgrass

So Big Perennial Classics:

Teaching Edith Wharton's Major Novels and Short Fiction Ferdâ Asya, 2021-05-13 This book translates recent scholarship into pedagogy for teaching Edith Wharton's widely celebrated and less known fiction to students in the twenty first century. It comprises such themes as American and European cultures, material culture, identity, sexuality, class, gender, law, history, journalism, anarchism, war, addiction, disability, ecology, technology, and social media in historical, cultural, transcultural, international, and regional contexts. It includes Wharton's works compared to those of other authors taught online, read in foreign universities, and studied in film adaptations. *Encyclopedia of Feminist Literature* Mary Ellen

Snodgrass, 2015-04-22 Presents articles on feminist literature including significant authors, themes, and history. Bobbed Hair and Bathtub Gin Marion Meade, 2009-08-11 In her exuberant new work *BOBBED HAIR AND BATHTUB GIN*, Marion Meade presents a portrait of four extraordinary writers: Dorothy Parker, Zelda Fitzgerald, Edna St. Vincent Millay, and Edna Ferber, whose lives and literary endeavors embodied the spirit of the 1920s. Capturing the jazz rhythms and desperate gaiety that defined the era, Meade gives us Parker, Fitzgerald, Millay, and Ferber, traces the intersections of their lives, and describes the men: F. Scott Fitzgerald, Edmund Wilson, Harold Ross, and Robert Benchley, who influenced them, loved them, and sometimes betrayed them. Here are the social and literary triumphs: Parker's Round Table witticisms appeared almost daily in the newspapers, and Ferber and Millay won Pulitzer Prizes, and inevitably the penances each paid: crumbled love affairs, abortions, depression, lost beauty, nervous breakdowns, and finally overdoses and even madness. These literary heroines did what they wanted, said what they thought, living wholly in the moment. They kicked open the door for twentieth-century women writers and set a new model for every woman trying to juggle the serious issues of economic independence, political power, and sexual freedom. Meade recreates the excitement, romance, and promise of the 1920s, a decade celebrated for cultural innovation, the birth of jazz, the beginning of modernism, and social and sexual liberation, bringing to light as well the anxiety and despair that lurked beneath the nonstop partying and outrageous behavior. A vibrant mixture of literary scholarship, social history, and scandal, *BOBBED HAIR AND BATHTUB GIN* is a rich evocation of a period that will forever intrigue and captivate us. *The Big Wild Soul of Terrence Cole* Frank Soos, Mary Ehrlander, 2019-02-15 This collection of essays honors beloved Alaska historian Terrence Cole upon his retirement. Contributors include former students and colleagues whose personal and professional lives he has touched deeply. The pieces range from appreciative reflections on Cole's contributions in teaching, research, and service to topics he encouraged his students to pursue, plus pieces he inspired directly or indirectly. It is an eclectic collection that spans the humanities and social sciences, each capturing aspects of the human experience in Alaska's vast and variable landscape. Together, the essays offer readers complementary perspectives that will delight Cole's many fans and gain him new ones. **Children's Writers' & Artists' Yearbook 2023** Bloomsbury Publishing, 2022-07-21 Foreword by bestselling and award-winning author Smriti Halls.
