Human is an attempt on the part of the world's first android to understand the irrational unpredictable eclectic creatures known as human beings. Written in the form of a field guide complete with sketches, graphs, flowcharts, and other reference materials, Android Zero aka Zach has compiled a variety of useful information for future androids on how to pass undetected as human beings. Along the way, he also attempts to solve the mystery of his own creation with the help of Andrea, a human female who has taken an interest in him that may be more than friendly and eventually leading him to meet his maker and discover the surprising purpose of his existence.

[The Dreaming Jewels](#) Theodore Sturgeon, 2013-04-30 A desperate boy escapes his abusive home by joining a carnival and is drawn into a dark conspiracy in this tale by a master storyteller Kurt Vonnegut. Though only eight years old, little Horton Harty Bluett has known a lifetime of sadness. Tormented and abused by his adoptive family, he's had enough, and with a beloved broken toy he calls Junky as his sole companion, the desperate little boy runs away to join a carnival. There, among the fortune tellers, fire eaters, sideshow freaks, and assorted strange people, Harty hopes to find acceptance and at long last a real home. But disgraced doctor Pierre Maneater Monetre's traveling show is no ordinary entertainment, and its performers are not what they appear to be. The Maneater has sinister plans for the world that go far beyond fleecing unsuspecting rubes and other easy marks; a dark and terrible scheme that requires unleashing the extraterrestrial power of the dreaming jewels and the unwitting assistance of a young boy who may be far more remarkable than he's ever imagined. The full-length debut by Theodore Sturgeon, a legendary writer who won Nebula and Hugo Awards and authored such classics as *More Than Human*, this journey into a circus of shadows is an intensely written and very moving novel of love and retribution. The Washington Star. This ebook features an illustrated biography of Theodore Sturgeon including rare images and never before seen documents from the University of Kansas's Kenneth Spencer Research Library and the author's estate among other sources.

*Failure Frame: I Became the Strongest and Annihilated Everything With Low-Level Spells (Light Novel) Vol. 6* Kaoru Shinozaki, KWKM, 2022-11-03 In search of the Country at the End of the Word and its secrets of forbidden magic, Mimori Touka plunges back into the Land of the Golden Eyed Monsters. But on the way, he's confronted by perilous new foes, the descendants of previous heroes from another world. The E-class underdog must flex his useless skills in a battle against their Sword of Courage and leader, the indomitable Lewin Seale.

**The Golem, Methuselah, and Shylock** Edward Einhorn, 2005 Edward Einhorn blends absurdist humor with philosophy in these critically acclaimed plays about legendary Jewish figures. *Golem Stories* retells an old Kabbalistic legend. It's a ghost story and a love story about a childlike clay man who may be a demon inside. In *The Living Methuselah*, the oldest living man survives every disaster in human history with the help of his wife Serach, the oldest living woman. But when a doctor tells him he will only live until the end of the play, will this be his final curtain? To find the title character of *A Shylock*, Jacob Levy interrogates every character in *The Merchant of Venice*, but oddly Hamlet may know the most, although this Hamlet is a woman. And in *One Eyed Moses and the Churning Red Sea*, Rabbi Tzipporah Finestein dreams Moses is a pirate captain, but what do the dreams mean?
