Were you the one I saw at the mall with the T shirt WHO ARE THESE KIDS AND WHY ARE THEY CALLING ME DADDY You're a dad or mom or a cross juggler or a grandparent or a teacher You're looking at this book because you love a child or it just popped up I wrote this book because I love children I also wrote *Where Children Fly* because I wanted to be parentally inspiring Everyone says parenting is so important but many of us just pray we don't go insane trying to potty train or get through the teenage hormones We hardly consider what we do as inspirational So much of what we do in loving children is out of what we were given not what we really want them to be Parenting is a very overwhelming demanding work of the heart We finally feel we've got the knack of changing their diaper when those cute little mood swings begin We manage to get them to school and we find the issues changing whether we are ready or not After all are we really all that grown up ourselves Once in a while we look back to the way we were raised or around to our peers raising children and then up with a silent serious plea the heavens have heard before God help me You think you want a smart cute rich funny kind of child but all those things are well just opinions as a general rule We've got beauty pageantry SAT rock stars and others to decipher our perspectives There's really a great deal more to those of us who want children with respectable manners compassion vision and parental pride I see you looking at me saying I can't even get them to pick up their toys and I'm supposed to create the next amazing humanitarian Before you walk away consider the possibility Not long ago my husband and I were at a local eatery In walked an elderly woman in an old brown coat followed by four stair step brothers maybe age ten to sixteen They found a table One helped Grandma with her coat and cane An older one brought her a plate As they flanked her sides and talked I noticed the youngest one took a bite then without missing a beat leaned over and cut her meat in bite size pieces We never saw a parent just Grandma and her grandsons I assumed because even if they weren't sons they were GRAND indeed I wanted to tell them how proud I was of them but my tears would have scared them silly It was I am certain quite a natural thing for them to do I want to see generations of this kind of precious afterglow and so I have come to this writing I call INSPIRATIONAL PARENTING Inspiration comes first by example I know that seems obvious but believe me I counsel many a child who lost their way because there was no example I'm not writing *Where Children Fly* as a course from my archives of perfection or from my trials and experiments I began to think about how inspiring God speaks of me and how it sets my standard for successful living I realized that maybe we had forgotten that just to live is holy to breathe is divinity to inspire is to create eternal beauty I hope this book will inspire you If you have by godly destiny been placed in the life of a child it is because you can make a difference in their life It's not about teaching children to

do as much as it is teaching them to be God is a 24 7 inspirationally available parent Armed and amazing is my call to you who are weary Thinking of all this inspiration makes you wonder if Ive lost my mind and wasted your time I dont want to scare you but the best parents are real people who inspire others by the life they lead They are not always the richest or poorest the well or ill the educated or not They are people who open their hearts wide and grow out of bounds I love children I love their stories I love to see them believe their Dad turned on the sun and Mom can make any boo boo better with a single kiss We forget how powerful inspiration can be We tend to think in the ordinary practical and t
