Social And Personal Identity Understanding Yourself:

Social and Personal Identity Derek Layder, 2004-02-24 How can you understand yourself Where do your views attitudes and values come from and why do they change This accessible and illuminating book provides a reliable guide to these questions The book Demonstrates that personal identity is formed around basic needs for security and self esteem and the personal desires that flow from them Shows the role of the emotions in personal life Explores the limits of approaches that deny the existence of individuals and personal experience Demonstrates how we build on everyday problems and dilemmas of life to shape our moods attitudes and feelings Shrewd and compelling the book will be of interest to anyone studying Social Psychology and Sociology *EMOTIONAL NEEDS AND DESIRES*. D. LAYDER, 2004 Intimacy and Power D.

Layder, 2015-12-04 This book explores the nature of intimacy by revealing how the influence of individual interpersonal and wider social factors create variations in self disclosure intimacy games and relationship habits It describes how the dynamics of power and control in relationships give rise either to mutual satisfaction or to the unraveling of intimacy Germany and the Modern World, 1880-1914 Mark Hewitson, 2018-07-05 Re assesses Germany's relationship with the wider world before 1914 by examining the connections between nationalism transnationalism imperialism and globalization **Theorizing**

Power Jonathan S. Hearn, 2017-09-16 If we're interested in why society changes and develops and if we want to identify the forces that influence our personal beliefs and choices then we must have an understanding of the nature and scope of human power This distinctively clear text critically evaluates how power is defined conceptualized and theorized Spanning 500 years of thinking in the field the book examines ideas from classical and contemporary thinkers from Machiavelli to Michael Mann Theories are firmly rooted in their historical context alongside real life examples to explain their relevance to our lives today Theorizing Power highlights the significance of power across all areas of social life including gender religion morality and identity It is the ideal text to stimulate thinking and debate on the subject of power for all students of sociology and politics

The Sociology of Zygmunt Bauman Michael Hviid Jacobsen, Poul Poder, 2016-03-03 Zygmunt Bauman is one of the most inspirational and controversial thinkers on the scene of contemporary sociology For several decades he has provided compelling analyses and diagnoses of a vast variety of aspects of modern and liquid modern living This book considers the theoretical significance of his contribution to sociology but also discusses and adopts a critical stance towards his work The Sociology of Zygmunt Bauman introduces and critically appraises some of the most significant as well as some of the lesser known of Bauman's contributions to contemporary sociology An international team of scholars delineates and discusses how Bauman's treatment of these themes challenges conventional wisdom in sociology thereby revising and revitalizing sociological theory As a special feature the book concludes with Bauman's intriguing reflections and contemplations on his own life and intellectual trajectory published here for the first time in English In this postscript aptly entitled *Pro Domo Sua* About Myself he describes the pushes and pulls that throughout the years have shaped his thinking Beckett and the

Cognitive Method Marco Bernini, 2021-10-26 Beckett and the Cognitive Method argues that Samuel Beckett's narrative work inaugurates an exploratory use of narrative as a cognitive modeling technology Through a detailed analysis of Beckett's entire corpus and published volumes of letters this book argues that Beckett pioneered a new method of writing to construct in a mode analogous to scientific inquiry models for the exploration of core laws processes and dynamics in the human mind

The Art of Helping Others Heather Smith, Mark K. Smith, 2008 When searching for someone to help them reflect upon and improve their lives people tend to be drawn towards those who are compassionate committed and wise This book is aimed at those who recognise these qualities in themselves and wish to develop their capacity to engage with and help others The authors argue for ways of approaching helping and counselling that are rooted in care and commitment drawing upon the experiences and practice wisdom of youth workers housing support and hostel workers the clergy and those working in a religious setting educators and settlement and community workers They explore the key characteristics of those who counsel and teach and examine aspects of the helping process focusing on living life well knowing and being oneself relating to others and working to make change possible This book will be essential reading for students on professional training programmes in youth work community education ministry social care and counselling The Contemporary Bauman

Anthony Elliott, 2013-10-08 This text covers Bauman's contribution to sociology and social theory This ideal teaching text analyzes Bauman's shift from a sociology of postmodernity to liquid modernity and provides a critical assessment of the contemporary Bauman appraising his novel theory of liquid modernity in terms of its implications for self identity interpersonal relationships culture communications and the broad ranging institutional transformations associated with globalization In addition to various extracts from Bauman's work the book also contains a spirited reply from Zygmunt Bauman to both his sympathetic and unsympathetic critics Bauman concludes by providing a new perspectives on his theory of liquid modernity its differentiation from the modernity postmodernity debate and its relation to current developments in contemporary social theory *The Importance of Civility* T. S. Bogorad, 2006-08 Your choices charm and chutzpah can

revitalize your community In her first book Bogorad reminds us that we are all social beings who need to socially interact to thrive as individuals and to sustain strong communities She shares with us the theory that social isolation leads to victimization and weakens our communities And she warns us that social cannibalism may consume us if we continue to ignore our need and our obligation to socially interact with each other If you are a person whose community has been weakened by incivility victimization and or addiction the ideas within her book may help you strengthen your community Or if you are a person who has minimal contact with other people her ideas may provide you with a reason to increase the quantity and quality of your interactions Or if you are a person who lives in a community without incivility victimization and addiction the contents of her book may help you understand those of us whose social environment is not as perfect as yours But no matter who you are reading her book will cause you to wonder about the importance of civility and the costs of incivility

Remember We all need a village And ponder What we do not say does hurt us and our polite interaction with others strengthens us and our community according to Bogorad *The Homeless Person in Contemporary Society* Cameron Parsell,2018-05-23 The homeless person is thought to be different Whereas we get to determine our difference or sameness the homeless person s difference is imposed upon them and assumed to be known because of their homelessness Exclusion from housing either a commodity that should be accessed from the market or social provision signifies the homeless person s incapacities and failure to function in what are presented as unproblematic social systems Drawing on a program of research spanning ten years this book provides an empirically grounded account of the lives and identities of people who are homeless It illustrates that people with chronic experiences of homelessness have relatively predictable biographies characterised by exclusion poverty and trauma from early in life Early experiences of exclusion continue to pervade the lives of people who are homeless in adulthood yet they identify with family and normative values as a means of imaging aspirational futures

Conversations of Intercultural Couples Kellie Goncalves, 2013-10-24 Auf der Grundlage empirisch erhobenen Sprachmaterials untersucht die Studie das diskursive Aushandeln von Sprache und Identität innerhalb der intimsten Community of Practice CoP der Ehe zwischen interkulturellen Sprachpartnern Die Studie ist in die sozialpsychologischen Konzepte von Identität und Positioning eingebettet So wird am Beispiel von Interviews mit interkulturellen Paaren genauer englische Muttersprachler innen die mit deutschsprachigen Schweizer innen verheiratet sind in einer diglossen Sprachregion in der Zentralschweiz leben und über drei Jahre interviewt wurden die Verhandlung und Performanz hybrider Identitäten analysiert und gezeigt wie doing Swiss diskursiv konstruiert und ausgehandelt wird This book presents an empirical study that examines intercultural couples reasons for specific language practices and investigates the negotiation and performances of hybrid identities within the marital unit the most intimate community of practice CoP The theoretical framework adopted draws on the sociocultural linguistic approach to identity and the social psychological theory of positioning The data stem from ethnographic observation and recordings carried out over a three year period with intercultural couples namely Anglophones married to native German speaking Swiss who reside in central Switzerland where a diglossic situation prevails The positionings individuals take up or refute indicate that the performance of doing Swiss is not only discursively co constructed but a site where the negotiation of meaning emerges within the context of social interaction

The Familial Occult Alexandra Coțofană, 2023-11-10 The Familial Occult addresses the presence of occult experiences in some scholars families and how that has affected their epistemological and ontological worlds as well as their identities as scholars Those with backgrounds in the familial occult often experience a series of conflicting relationships and different ways of interacting with binaries such as the subjective and objective a powerful conceptual couple still governing academic thinking While much has been written on encountering the occult in fieldwork or becoming an apprentice in an occult practice little yet has been published in the academic literature about growing up with the occult

Ethics of Care Barnes, Marian, Brannelly, Tula, Lizzie Ward, Nicki Ward, 2015-10-28 Over the last twenty years research on feminist care ethics has flourished and this collection makes a unique contribution to that body of work Drawing on a wealth of practical experience across eight different disciplinary fields the international contributors demonstrate the significance of care ethics as a transformative way of thinking across diverse geographical political and interpersonal contexts From an analysis of global responsibilities to a reimagining of care from the perspective of people with learning disabilities each chapter highlights the necessity of thinking about the ethics of care within policies and practice

Human Rights Law and Personal Identity Jill Marshall, 2014-06-20 This book explores the role human rights law plays in the formation and protection of our personal identities Drawing from a range of disciplines Jill Marshall examines how human rights law includes and excludes specific types of identity which feed into moral norms of human freedom and human dignity and their

translation into legal rights The book takes on a three part structure Part I traces the definition of identity and follows the evolution of and protects a right to personal identity and personality within human rights law It specifically examines the development of a right to personal identity as property the inter subjective nature of identity and the intercession of power and inequality Part II evaluates past and contemporary attempts to describe the core of personal identity including theories concerning the soul the rational mind and the growing influence of neuroscience and genetics in explaining what it means to be human It also explores the inter relation and conflict between universal principles and culturally specific rights Part III focuses on issues and case law that can be interpreted as allowing self determination Marshall argues that while in an age of individual identity people are increasingly obliged to live in conformed ways pushing out identities that do not fit with what is acceptable Drawing on feminist theory the book concludes by arguing how human rights law would be better interpreted as a force to enable respect for human dignity and freedom interpreted as empowerment and self determination whilst acknowledging our inter subjective identities In drawing on socio legal philosophical biological and feminist outlooks this book is truly interdisciplinary and will be of great interest and use to scholars and students of human rights law legal and social theory gender and cultural studies
