Songbird's Second Chance Ashley Farley,1900 Thirty years ago Savannah s child was taken from her shortly after giving birth The next day she ran away to the Pacific Northwest where she s been living ever since But her circumstances have changed The tavern where she bartends is closing and her landlord is selling the house she rents Now seems like the right time to go home to South Carolina but does she have the courage to face her past Upon her mother s death while searching for funeral instructions Harper comes across a sealed envelope containing a worn scrap of yellow flannel an address in a small town she s never heard of and her adoption papers Everything about her life suddenly makes sense including why she and her mother were so very different Determined to find her birth mother Harper embarks on a journey of discovery to the South Carolina Lowcountry **The Songbird's Call** Rachael Herron,2016-08-29 Once Adele Molly and Lana were The Darling Songbirds a world famous country band Now they re just three sisters who barely speak But that s about to change Middle sister Molly arrives in town and is immediately drawn to the neglected little caf where she worked as a teenager Could she dare to bring it back to life As lead singer Molly had always been the voice of the band But caught between controlling big sister Adele and demanding baby sister Lana she never felt heard If she s going to reopen the caf she ll do it on her own terms no more being bossed So the last person she should fall for is the handsome Sheriff Colin McMurty the man whose job it is to tell people exactly what to do **The Kinks' The Kinks Are the Village Green Preservation Society** Andy Miller,2003-09-01 Ignored by virtually everyone upon its release in November 1968 The Kinks Are The Village Green Preservation Society is now seen as one of the best British albums ever recorded Here Andy Miller traces the perilous circumstances surrounding its creation and celebrates the timeless perfectly crafted songs pieced together by a band who

were on the verge of disintegration and who refused to follow fashion EXCERPT Big Sky contains some of the most beautiful thunderous music The Kinks ever recorded aligned to a vulnerability and warmth no other group and I mean no other group could ever hope to equal It is a perfectly balanced production On the one hand the mesh of clattering drums and electric guitar never threatens to overwhelm the melody on the other the gossamer light harmonies Ray and Dave s vocal line traced by Rasa Davies wordless falsetto are bursting with emotion When most of the instruments drop away at 1 20 the effect is effortlessly vivid two lines where Davies performance is both nonchalant and impassioned The result is wonderfully enchantingly sad made more so perhaps by the knowledge that The Kinks will never again sound so refined or so right
