## **Sons Of The Morning A Novel:**

**Sons of the Morning** Eden Phillpotts, 2021-05-19 Eden Phillpotts *Sons of the Morning* is a richly woven narrative that delves into the complexities of human relationships against the backdrop of the Cornish landscape. The novel employs a lyrical and evocative literary style characterized by vivid descriptions and deep psychological insight. Set during an indeterminate past, it engages with themes such as love, ambition, and personal sacrifice, all while capturing the subtleties of rural life in early 20th-century England. Phillpotts skillfully blends character-driven storytelling with a philosophical exploration of existence, making the work not only a reflection of its time but also a timeless examination of the human condition. Born in 1862, Eden Phillpotts was a prolific English writer whose works often reflect the rich tapestry of Devon and Cornwall, his home regions. His background in literature and dramatic arts provided him with the tools to create compelling narratives filled with rich characterizations and local color. Phillpotts' own experiences in nature and his deep understanding of rural communities deeply influenced his storytelling, imbuing *Sons of the Morning* with authenticity and emotional depth. I highly recommend *Sons of the Morning* to readers who appreciate nuanced character studies set against a picturesque backdrop. This novel invites reflection on the diverging paths of life while immersing the reader in the poignant beauty of Cornwall, making it an essential addition to the canon of early 20th-century literature.

**Sons of the Morning** Eden Phillpotts, 1900 *Child of the Morning* Pauline Gedge, 2018-10-18 A sweeping chronicle of passion and intrigue at the dawn of the New Kingdom, Hatshepsut is the youngest daughter of the Pharaoh. So when her older sister dies, it becomes her duty to purify the dynasty's bloodline. She is set to wed Thutmose, her father's illegitimate son and the heir to the throne. But fearing his son's incompetence, Hatshepsut's father makes an unthinkable decision: she will be Pharaoh instead. As mythic rivalries and forbidden love threaten to pitch her new realm into chaos, she must rise above it all to claim what is hers as the ruler of the greatest empire the world has ever known. With a foreword by the bestselling Michelle Moran, this is the story of one of history's most remarkable women, perfect for fans of Kate Quinn and Conn Iggulden. Praise for *Child of the Morning*: A superb portrait of a powerful but very human queen. Library Journal. A compelling and human story without a single dramatic lapse. San Francisco Examiner.
