Soon Come:

Soon Come Hugh Hodges, 2008 *Soon Come* celebrates Jamaican poetry as an expression and extension of the island's rich spiritual traditions offering fresh insights into some of the late twentieth century's most important and influential poetry. Drawing inspiration from the history of Myal, Kumina, Revivalism and Rastafari, Hodges develops a critical language for the discussion of a wide range of Jamaican texts both oral and written. Beginning with traditional proverbs and Anancy stories, *Soon Come* explores healing rituals, possession rites and miracles in Revival hymns, the seminal poetry of Claude McKay, Una Marson and Louise Bennett, the Rastafari-influenced reggae of Bob Marley, Jimmy Cliff, Bunny Wailer and Ras Michael, the dub poetry of Linton Kwesi Johnson and Mutabaruka and the groundbreaking work of Dennis Scott, Anthony McNeill and Lorna Goodison. What emerges is a profoundly hopeful vision of Jamaican poetry as an ongoing ritual that engenders the future even as it reimagines the past. Written in a lively accessible style, *Soon Come* will appeal as much to the general reader as to the academic, to the serious Bob Marley fan as much as to the student of New World religious traditions.

Soon Come Joyce Arneson, Donald, 2002-01-15 *Soon come in Jamaica* means 'don't worry, be happy' and was the title of the newsletter Beth and Mike Ohlsson sent home during a Peace Corps tour in Jamaica. It is two years since traumatic events forced Beth to leave Jamaica, the Peace Corps and husband Mike. Now alone, she decides to come to grips with the past by retreating to her cabin at Bent Needle Lake in Northern Minnesota to write a book to exorcise her Jamaican 'duppies' (ghosts). Actually *SOON COME* is two interwoven stories. One is Beth's story of two middle-aged people chucking a comfortable life to join the Peace Corps and her role in the events that have been haunting her. The other story is of her summer of writing and meeting Nick Faber, a college instructor who rents a neighboring cabin. The stories shift between the sharply contrasted worlds of serene Bent Needle Lake and turbulent Jamaica.

Soon Come Home to This Island Karen Sands-O'Connor, 2013-10-31 *Soon Come Home to This Island* traces the representation of West Indian characters in British children's literature from 1700 to today. This book challenges traditional notions of British children's literature as monocultural by illuminating the contributions of colonial and postcolonial-era Black British writers. The author examines the varying depictions of West Indian islands and peoples in a wide range of picture books, novels, textbooks and popular periodicals published over the course of more than 300 years. An excellent resource for any children's literature student or scholar, the book includes a chronological bibliography of primary source material that includes West Indian characters and twenty black and white illustrations that chart the changes in visual representations of West Indians over time.

Which Must Soon Come to Pass Philip Mauro, 2014-10-24 In this classic exposition of the Book of Revelation, Philip Mauro delves into the prophetic visions of the Apostle John, shedding light on their meaning and significance for the church throughout the ages. With keen insight and scriptural fidelity, Mauro unfolds the mysteries of the seven seals, trumpets and vials, tracing their fulfillment from the early church to the present day. Revelation as a spiritual book relevant for all eras of church history He explores the ongoing impact of the destruction of Jerusalem and the Jewish dispersion the conflict between God's kingdom and worldly powers and the final consummation of all things at Christ's return

Great Sogolon's House David Courtney Conrad,2025-08-27 The unusually long version of West African Mande epic transcribed

and translated for this book is an extravagant demonstration of the extremes to which Mande bardic artistry can be carried. The text presented here is the result of multiple recording sessions with an extraordinarily creative oral artist who augmented key episodes of the Sunjata epic that devolved to him from his own father as well as previous generations of Maninka and Bamana griots of north eastern Guinea and southern Mali. In marked contrast to versions of the Sunjata epic recounted by other griots, an essential part of this narrator's performance style is to season familiar episodes with cultural details and digress into explanations not usually offered by other bards.
