attack if you will Kate the nurse on the Tropicana has just found love with a Hawaiian warrior named Kimo the leader of the island's people and sadly now she was dying of the sickness She knows that the end draws near the evil present on the island is reminiscent of the days of Captain Cook when he sailed into Kealahou Bay in 1788 and exploited the island's people Ghastly incidents occurred like decapitations mutilations human sacrifices and rape of women and children darkening the sunny days that were once bright and majestic in this tropical paradise Now history was repeating itself Today the village is burning Once again the decapitation of the warrior men was happening the heads were stuck on stakes in front of the village heiau an ancient temple of worship the same demon in Cook's day is orchestrating the unfolding calamity on Niihau a horror so great that scores of local people are taking their own lives jumping from the high cliffs into the raging ocean crashing below on sharp outcroppings of rocks death by drowning Kate was not going to give in to the compulsion to commit suicide Kimo her new love and the other village men are currently on a mission to invade and occupy the military installation to steal the life saving vaccine They dared to enter the lair of the beast Colonel Strauss a Nazi a white supremacist has a plan to restore the Aryan nation He intends to destroy not only the island but he seeks to impose the eugenic goals of Adolf Hitler Would Kimo and his men really be able to defeat the military of the United States the odds were against them Pastor Kua the village preacher joins Kate on the beach where she is watching the magenta sunset Would it be her last After all she has the sickness Pustules sores that were bleeding covered most of her body She was already experiencing the hemorrhaging from her eyes nose and mouth It gave her a dead vampire look Despite one disaster after another Pastor and Kate
