Sophisticated Mountain Gal:

The Sophisticated Mountain Gal John Bramsch, Joan Bramsch, 1984 **Mountain Girl** Ken Byerly, 2009-10-05 Wade Talbot relishes the chaos of journalism He starts as editor of weekly newspaper in North Carolina and becomes a reporter in New York just as the civil rights struggles explode into demonstrations across the country Becky Anderson leaps from her little southern town to college to New York and then to Europe where through sheer grit she becomes a force in the movie business Wade romanticizes his boyhood in the hills of home Becky perennially short of money can't wait to break away But something clicks between them They compete they quarrel they savage each other and one day in the deep rolling hills of old Virginia they come together MOUNTAIN GIRL is an inside look at the 1960s American civil rights movement a gritty travelogue with stops in Paris and an island in the Mediterranean and a sexual duel in which both partners learn and grow Becky loses a baby She and Wade begin to hike the 2 200 mile Appalachian Trail Wade finds finally a theme for the novel he wants to write But at a cost He walks alone at the end to keep a promise to climb a special mountain *The Cumberland Mountain Trilogy, Volume 3 - The Sheriff of Hell's Murder Case* Jack Justin Turner, 2014-12-11 The Sheriff of Hell's Murder Case is the final novel in Dr Jack Justin Turner's highly acclaimed Cumberland Mountain Trilogy With a mangled arm and with his long barreled Luger close at hand Sheriff Jacob Newton Herald must muster all the cunning and courage that saw him through The Great War to survive the sometimes savage place he calls home Jake as he is known by both friend and foe has been described as a combination of Hamlet and Dirty Harry but in this last volume Jake exhibits a quite different and endearing personality when he makes two of the most important decisions of his life Part murder mystery and part magnificent love story The Sheriff of Hell's Murder Case again demonstrates Dr Turner's powerful and insightful explanation of character and locale in a page turner that is perhaps unparalleled in modern Appalachian fiction Turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers As one reviewer put it Jack Justin Turner's voice rings so true that one might think the author is actually channeling the spirits of his early twentieth century characters Seldom does a book transport a reader so surely to another place and time Keywords Romance Revenge Action History War Kentucky Herald Fiction Iron Fist Mystery Veteran *Appalachian Mountain Girl* Rhoda Bailey Warren, 2005-08-30 One woman's affecting and well written memoir of growing up with twelve siblings in rural Kentucky and returning as an adult Kirkus Reviews Appalachian Mountain Girl is a sensitive and beautifully written autobiographical account of a childhood in the coalmine district of Depression era Kentucky With humor and warmth but without sentimentality Rhoda Warren recounts the lives of these mining people whose religion and family values buttressed and sustained them As a young girl Rhoda began to catch glimpses of the world outside her narrow mountain community through the stories in True Confessions magazine and the pictures in the Montgomery Ward catalog which to her seemed like visions of a fairy world Much later after poverty drove her family to Wyoming and then Rhoda married and moved to a small town in

New York State it seemed that her dreams of a better life had finally been realized Yet scenes of Letcher always hovered in the back roads of her memory When she revisited her homeland this time as a New Yorker Rhoda found that Letcher was no longer the place she recalled and in this vivid memoir she contemplates the relationship between our past and our present and the ways that our childhood stays with us forever **At Nightfall** Joan Bramsch,1985 **Shadows** Harold Scheub,2009 selected not only African oral and written stories but also tales from around the world Pref p 11 *American Review* Vivian Trow Thayer,1925 Includes section Books *How They Shine* Katherine Vande Brake,2001 Vande Brake surveys Appalachian fiction and finds a surprising number of Melungeon characters lurking in the pages of many southern writers *Mountain Homecoming* Sandra Robbins,2013-03-01 In the second book in the Smoky Mountain Dreams series acclaimed author Sandra Robbins spins a tender tale of God's faithfulness throughout the generations Rani Martin Simon and Anna's only daughter is a beautiful and spirited young woman living deep in the heart of the Smoky Mountains She has plenty of ideas about the man she'll marry someday but none of them could have prepared her for the return of Matthew Jackson Matthew left Cades Cove as a child after his father's death Now he's come back to build a new life for himself and it's his dearest wish that Rani be a part of that life But the people of the Cove won't let him forget the sins of his father and Matthew can't forget the darkness of his own past Is there a place for Matthew in the Cove And can the light of Rani's love overcome his pain *Darling Obstacles* Barbara Boswell,1985 **Sweet Chaos** Carol Brightman,1999-09 A social and cultural history of the Grateful Dead America's greatest folk rock institution by a National Book Critics Circle Award winning author 8 page photo insert **Beyond These Hills** Sandra Robbins,2013 After the government begins purchasing land to create the Great Smokey National Park Laurel Jackson wants her family to keep their land and is torn when she finds herself attracted to the son of a wealthy congressman who has been sent to persuade the families of Cades Cove to sell High Mountains Rising Richard A.
