**The Pushcart War** Jean Merrill, 2015-09-29 The best book about politics ever written for children The Washington Post 50th Anniversary Edition now in paperback DO YOU KNOW THE HISTORY OF THE PUSHCART WAR THE REAL HISTORY It's a story of how regular people banded together and armed with little more than their brains and good aim defeated a mighty foe Not long ago the streets of New York City were smelly smoggy sooty and loud There were so many trucks making deliveries that it might take an hour for a car to travel a few blocks People blamed the truck owners and the truck owners blamed the little wooden pushcarts that traveled the city selling everything from flowers to hot dogs Behind closed doors the truck owners declared war on the pushcart peddlers Carts were smashed from Chinatown to Chelsea The peddlers didn't have money or the mayor on their side but that didn't stop them from fighting back They used pea shooters to blow tacks into the tires of trucks they outwitted the police and they marched right up to the grilles of those giant trucks and dared them to drive down their streets Today thanks to the ingenuity of the pushcart peddlers the streets belong to the people and to the pushcarts The Pushcart War was first published more than fifty years ago It has inspired generations of children and been adapted for television radio and the stage around the world It was included on School Library Journal's list of One Hundred Books That Shaped the Twentieth Century and its assertion that a committed group of men and women can prevail against a powerful force is as relevant in the twenty first century as it was in 1964

The Dispensation of the Bab Boris Handal ,2023-10-01 More than producing a new religious canon the B b brought a fresh worldview of the divine the human and the social Through His vast written revelation the B b proclaimed majestically the fulfilment of the prophetic Great Day of God promised by the religions in the past His mystical teachings appeal to the perfection and nobility of the human soul All things being made new He delivered a distinct divine philosophy drastically changing ecclesiastic and liturgical laws and legislating on individual and social matters The B b s teaching attracted fiery opposition from the establishment leading to His imprisonment torture exile and martyrdom Relying on nearly 600 passages from His writings the Dispensation of the B b presents a panoramic view of the B b s doctrine highlighting His position as an independent Messenger of God and announcing the imminent advent of Him Whom God shall make manifest showing at the same time the theological unicity between the faiths of the B b and Bah u ll h

Windows on Paradise David Gooding, What hope can Jesus Christ offer to people who have been damaged by life or rejected by society Does his gospel have answers for us today as well as for a life to come He says he has the right to rule But what sort of a king is he and what difference does his kingdom make in the world now In his Gospel Luke presents scenes from a life without equal showing how Christ proved to be the champion of the outcast and oppressed who lifts up those who have been lost and forgotten and makes them his own forever The most profound questions about time eternity and death are found in Christ according to Luke And he makes it clear that he found in Christ someone worthy to rule both his life and his destiny By gathering several of these scenes together David Gooding presents an overview of leading themes in Luke s Gospel From the individual stories he shows that the gospel of Christ does not ignore the hard facts of reality Taking the scenes together he shows that the Paradise that Christ spoke of is more real than we can imagine and that the one who promised its life and rest is faithful beyond what we could hope
