## **Soul Of An Organization:**

*The Soul of the Organization* David B. Zenoff, 2014-03-01 Given the opportunity to describe Apple as a company in just a word or two most would respond with adjectives like Innovative Design conscious Iconic Some would probably even say Secretive But here s another Soulful Yes Apple has a soul and it is not alone in that respect A select few organizations can similarly be said to exhibit similar qualities of soul that inspire passion in their employees and set them on the path to high levels of sustained organizational performance But given that most organizations are plagued by low levels of employee engagement and lackluster organizational performance how do high performing organizations do it How do they ignite and sustain employee engagement and boost individual and overall organizational productivity That is exactly the question that organizational expert David B Zenoff sets out to answer in *The Soul of the Organization* Based on the author s extensive experience consulting to and observing some of the best known organizations in the world *The Soul of the Organization* [www.souloftheorganization.com](http://www.souloftheorganization.com) journeys into eleven high performing organizations operating in both the for profit and not for profit worlds to determine the underlying elements of soul that foster strong employee engagement at all levels What Zenoff finds in his inquiry is that organizations as different as home goods retailer Williams Sonoma and not for profit group Larkin Street Youth Services all share in common five key elements of soul that taken together are powerful forces for fostering employee engagement satisfaction and meaning And he doesn t stop once he has identified the five core elements of an organization s soul Instead he goes on to offer both a conceptual framework and a practical primer on how to leverage these key ingredients to create sustain and nourish a soul in your organization Organizations of all stripes and in all industries and domains have great difficulty motivating their workforces to demonstrate a strong commitment to giving their all in the workplace As a result these organizations overall productivity and growth are compromised and their employees cannot find meaning or satisfaction in their work If your organization struggles with sub par employee loyalty commitment and drive you will find the guidance you need in *The Soul of the Organization* a guide to infusing into your workplace that special something that engages employees drives their productivity and taps into their collective well of potential so that your organization can make its mark on the world

*Creating Organizational Soul* Richard Bellingham, 2009 Does your organization have soul Are you passionate about a higher purpose Do you engage in meaningful dialogue Are you caring and compassionate Do you spend time reflecting on critical issues People in soulful organizations are able to say they demonstrate these behaviors everyday You can become one of those people by following the advice and guidance in this innovative book *Creating Organizational Soul* makes a compelling case for the strong connection between organizational soul and productivity innovation and results The intent of the book is to get leaders to take a hard look at where they are and look for ways to get better The author demonstrates how to create soul in business social service agencies and education Included are many examples of exemplary fast growing companies large companies small businesses not for profit organizations and

universities that are stepping up and making a difference You ll learn The principles of a soulful organization What a soulless organization looks like The conditions necessary for creating organizational soul Success stories of people who have created soul in their organizations How to get people and organizations to do what they need to do to create organizational soul and achieve extraordinary results You ll also get tools to help you measure the soul health and sickness of your organization assess your leadership ability and measure soulful conditions Of special interest to leaders are the conversation templates that can be used in goal setting sessions mid year and end of year reviews with employees
