Atkinson,2009-10 This book Proof from the Light and Darkness intends to prove many divine truths to many people Many will accept it as proof while many will not The following are seven of such truths this book will prove 1 God is a living eternal and a superior being 2 The soul is a living and unique pattern of energy created by God and should not be confused with the spirit 3 God is a union of two entities which were the first souls to exist male and female therefore God can be him or her 4 God comes to Earth periodically as Christ incarnate in the body of a man and a woman 5 Jesus of Nazareth and Mary of Bethany the Magdalene were the Christ's two thousand years ago 6 Spencer John Atkinson and Pamela Theresa Atkinson are the new names and bodies of the same Christ Jesus and Mary Magdalene 7 Heaven is a real and eternally joyful place in another dimension of space These seven topics and more is a result or a chain reaction from the main proof God has given me proof that I am the incarnate soul of Jesus of Nazareth and my wife and I are the Christ Have no fear this book is not just another book on religion however in order to prove Jesus soul is back incarnate the King James Bible must be used not for its Christian theology or religious teachings instead for its Divine Arrangements blueprint map of predictions or prophecies concerning the return of Jesus Christ It's time to stop the confusion caused by so many different beliefs by adding common sense logic and deductive reasoning leading to proof that might be realized by all faiths      *Uplifting the Soul* Theresa J. **Soul Woundedness** Paul Houston Blankenship-Lai,2024-11-05 A profound exploration into the spiritual beliefs and practices of Seattle s unhoused youth Soul Woundedness is an intimate piercing book about everyday life for young adults living on the streets of Seattle Based on over five years of research and as a participant observer Paul Houston Blankenship Lai presents the personal experiences of street kids highlighting how their spiritual beliefs and practices offer them comfort a sense of community and a feeling of belonging amidst their struggles They also demonstrate how spirituality on the streets can alienate people from themselves and the world The stories Blankenship Lai tells here are about how social wounds go soul deep and how seemingly antireligious spiritual practices fashioned in an almost unlivable local world help people create a life still worth living By paying deep sustained attention to what spirituality is like on the streets and what difference it makes Blankenship Lai uncovers an important overlooked dimension in the experience and study of homelessness They invite us to enter these stories and to question how our own spiritual and otherwise practices can help create a more loving love Aimed at a diverse audience Soul Woundedness is a book not merely to educate but to transform It is particularly relevant for those interested in spirituality s role in addressing social inequities and underscores the importance of spiritual practices in overcoming adversity and promoting social change making a compelling case for a world where everyone has a place to call home

Karey,2012-06-27 Liliths Reflection explores the concept of possibilities rather than facts If facts dominate most of our daily thinking wed leave out possibilities that might exist in our livethe unseen from other dimensions that intercept our paths of life Things or events exist for a reason and there is more than one way to look into every situation Lilith was introduced as an orphan and a tragic victim who was abandoned by her psychopathic father at the age of six She was mentally not well she thought at first Now she realized her condition has never been that simple Her illness wasnt strong enough to poison her mind but something else was Her mental illness was just the image she portrayed to others but her true self was far beyond her sickness Love in this novel is represented in an unnoticeable and unusual way rather than in a traditional way There is no such thing as the correct or the wrong way of loving someone Love could be in holiness or love could be in such sinfulness but love is love Lilith after countless struggles with her search for true love she had found not only her greatest love of all but also her true soul mate not for one life but for eternity Author Brigitte Wynn Karey is a lover of words The author expresses her thoughts not only to her audiences but also to herself Her ability to use words to express her thoughts creatively in her own way was excellent The imagination created in this book would let the audiences enjoy their mental imaginary visions as well as to open up the possibilities that they might have missed out      **The Academy** ,1892      **Soul Music** Elenora

way for its official adoption or restriction and for additional representations By imagining the connections between emergent gene testing and editing capacities and long standing conversations about freedom and determinism these stories help build a cultural zeitgeist with a sharper more balanced vision of predisposed agency A compelling exploration of the interrelationships among science popular culture and self Editing the Soul sheds vital light on what the genome age means to us and what s to come     Catalogue of Standard and Holiday Books A.C.
