Rose Army,1984 **Journeys of My Soul** Makachi Chimusaru,2015-07-28 Humanity spends most of its time on earth standing in its own shadow and wonders why it is dark Makachi Chimusaru found this out through his fair share of experiences that he shares in this book The crossing over to the other side of his wife became an awakening call for him Unless one has been through his life experiences that include grief one cannot begin to know what it feels like to overcome challenges and grow from them There is no spiritual growth in comfort and maintaining the status quo It takes darkness to appreciate light and it takes hate to appreciate love This is why we as souls leave the comforts of the spirit world to come out here on earth to experience negative energy that makes us appreciate positive energy Mastering unconditional love is our ultimate goal that will reunite us with our maker in the higher realms of enlightenment Until we master that love we shall continue to incarnate here on earth and other realms in order to learn our lessons for a short while at a time We are all divine souls that need to appreciate that If you are holding this book right now then this may mean you were meant to read its message in this time There are no coincidences or accidents The universe is so much organized to allow that Cura Profunda , **Subject Guide to Forthcoming Books** ,1983 Presents by subject the same titles that are listed by author and title in Forthcoming books Life and Labor in the Spirit World Mary T. Jeffcoat,2006-03 In his first book *Spirited Americans* A E Jeffcoat celebrated America's optimists the people who gave this

country its character and greatness He follows it with Soul Searching an affirmation of Christian faith through the testimony of pilgrims who have borne witness to its historical traditions Today those who turn to God to help them deal with the challenges of a world without a moral compass will derive comfort from treading the same path as Einstein Schweitzer and Mother Teresa Others who have lost their faith or never found it can look for encouragement in the lives of latecomers such as Tolstoy and Malcolm Muggeridge discovering as did Simone Weil that any step toward God is a good step The legacy of Thomas Jefferson and the examples of such leaders as Hamilton Lincoln and the two Roosevelt s will challenge those who question whether faith has a place in our secular polity Learn the power of faith and the durability of Christianity in Soul Searching
