Ghaly FACS, MD,2019-08-26 This is the twelfth book of the series **Christianity and the Human Brain** It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full

of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life s journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about *The Secret Tradition of the Soul* Patrick Harpur,2011-10-18 In *The Secret Tradition of the Soul* author Patrick Harpur argues that answers to life s most difficult questions the meaning of life the nature of self and the existence of an afterlife can be met by a visionary tradition that runs through Western culture from Greek philosophy and Renaissance alchemy to Romantic poetry and modern depth psychology This hidden tradition according to Harpur places our soul at the center of the universe and emphasizes imagination the collective unconscious and an otherworld or afterlife above all it teaches us how to know ourselves and how to recover a sense of meaning largely lost today Harpur shows how this tradition drives the literature of otherworld journeys from the flights of shamans and the dreams of psychoanalysis to the mystic imagination of Romantic poets and the visions of those having near death experiences *The Secret Tradition of the Soul* is the first book to gather together all the threads of the soul tradition and weave them into a bigger clearer picture presenting a worldview at once ancient and revolutionary About the Imprint EVOLVER EDITIONS promotes a new counterculture that recognizes humanity s visionary potential and takes tangible pragmatic steps to realize it EVOLVER EDITIONS explores the dynamics of personal collective and global change from a wide range of perspectives EVOLVER EDITIONS is an imprint of North Atlantic Books and is produced in collaboration with Evolver LLC **The Soul's Power** Maureen Philpott Napier,2009-12 Maureen Philpott Napier had just turned forty years old Personally and professionally she was at the top of her game But on March 26 2006 she suffered a paralyzing multiple sclerosis attack Her life her work and her identity changed forever During that first year of her diagnosis she changed from being a food scientist by trade to a scientist exploring her soul In this memoir Maureen shares her battle with this progressive destructive disease for which there is no known cure Through her emotional

personal story and through poetry Maureen narrates the challenging but rewarding healing journey back to life The path was often dark painful and lonely But *The Soul's Power* describes how she came to understand the Divine gift given to her and how she continues to recreate her life and write her words of wisdom from her soul An inspirational story of self awareness *The Soul's Power* demonstrates how one woman faced her demons and realized her greatest strength was buried deep within her *The Journey into a Man's Broken Heart* Sabur IM,2011-01-25 A story is just the formation of words used to paint the picture of an event My story is not any different Each word used is full of emotions with hopes of painting a portrait of LOVE I always heard people say Its better to have LOVED and lost than not to have LOVED at all And at times I was completely in agreement with this Well that was until I LOVED and lost and was never able to LOVE again I cant blame LOVE for this but I can blame me In order to remove the stain that guilt has left on the remaining pieces of my heart I painted this picture with my words in hopes that you will end up appreciating the gift of LOVE *SPIN* ,1990-08 From the concert stage to the dressing room from the recording studio to the digital realm *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of *SPIN* pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next *SPIN* is your monthly VIP pass to all that rocks *Forthcoming Books* Rose Army,2002-02 **The Art of Acting** Dawn Langman,2014-04-07 This book will be invaluable to teachers acting students and practitioners alike Langman's inspired methods fed by some 45 years of teaching and practice ensure the highest outcomes for the integration of voice speech and language as a central ingredient of the actor's craft She is the most unique and brilliant master teacher in this area I have ever encountered Rosalba Clemente Head of Acting Drama Centre Flinders University A rite de passage working with Langman's book is an initiation into the practice of Future Theatre Dr Jane Gilmer Assistant Professor of Drama VPA National Institute of Education Singapore A remarkable achievement that communicates a lifetime of teaching artistry with grace and depth and most significantly reveals the profound spiritual impulses at the heart of Michael Chekhov's original impulse A gift for the generations Dr Diane Caracciolo Associate Professor of Educational Theatre Adelphi University Over the past decades there has been a resurgence of interest in Chekhov's acting technique The original publishers of his fundamental text *To the Actor* removed most of the author's references to Rudolf Steiner but recent studies acknowledge Chekhov's personal interest in anthroposophy as the source of his artistic inspiration Dawn Langman explores the fundamentals of Chekhov's psycho physical technique and the metaphysical principles on which it is based She examines this technique in relation to the specific challenges and gifts provided by the actor's constitution of body soul and spirit and in the context of the canon of great poetic and dramatic texts illuminated by Steiner's insights into humanity's evolving consciousness *The Art of Acting* lays the foundation for the second and third books in her series in which Langman explores Rudolf Steiner's art of speech and its integration with Michael Chekhov's methodology Together these books offer a
