Soul at Work Barbara Smith-Moran, 1997 These meditations on you and your work invite the reader to examine their place in God's economy Work can be just a job or it can be a vocation depending on how you view it These reflections can be done as a six week study either on your own or in a small group **Taylor's 7th Teaching and Learning Conference 2014 Proceedings** Siew Fun Tang, Loshinikarasi Logonnathan, 2015-06-01 These conference proceedings showcase a rich and practical exchange of approaches and vital evidence based practices taking place around the world They clarify the complex challenges involved in bringing about a holistic educational environment in schools and institutes of higher learning that fosters greater understanding and offer valuable insights on how to avoid the pitfalls that come with rolling out holistic approaches to education To do so the proceedings focus on the subthemes Support and Development Mobility and Diversity and Networking and Collaboration in Holistic Education *Gentle Shepherding* Joseph Earl Bush, 2012-11 Named One of the Top Ten Books for Parish Clergy for the year 2006 by the Academy of Parish Clergy *Gentle Shepherding* offers a rare balance in an introduction to pastoral ethics one that identifies deeply with the pastoral vocation and brings it into conversation with a developed body of ethical theory The goal of the book is to equip seminarians and pastors with conceptual resources for clarifying moral responsibility in the practice of ministry This responsibility includes three levels the minister as a moral agent in offering care the minister as a moral enabler in encouraging virtue in others and the minister as a moral leader in facilitating congregational life and witness in society Helping ministers and seminarians to think anew about their responsibilities and the moral quandaries in pastoral practice *Gentle Shepherding* integrates theory with practice providing case material for further reflection and discussion and at least one case study or exercise associated with each chapter

Soul at Work Margaret Benefiel, 2005-08-01 Dozens of books about spirituality and management have demonstrated the yearning for spirituality in the workplace that exists in people like Kerry Hamilton No longer content to abide the widening chasm between their deeply held values and the all too common business practices they encounter these readers long for congruence between their values and their work They wonder whether the days of the giants of corporate character like Johnson Johnson businesses who believed that integrity and profitability could co exist are gone for good Are we living in a state of business and organizational entropy Are we doomed to endless repetition of the Enron Worldcom and Global Crossing scandals Must integrity and profitability now be opposed What has happened to American business healthcare and non profits in the last forty years *Soul at Work* Spiritual Leadership in Organizations demonstrates vividly that another way is possible based on the contemporary restoration of the partnership between integrity and profitability It translates the core of what companies like Johnson and Johnson stood for forty years ago into contemporary forms Through compelling stories of contemporary businesses healthcare organizations and nonprofits *Soul at Work* shows how integrity profitability and personal and organizational transformation are all of a piece *Taking Your Soul to Work* R. Paul Stevens, Alvin
