## **Soul Survivors An African American Spirituality:**

Soul Survivors Carlyle Fielding Stewart,1997-01-01 This perceptive study of African American spirituality sees the experience of the African American church as an example for all other peoples in their struggles for liberation from the world's shackles

**Religion, Women of Color, and the Suffrage Movement** SimonMary Asease A. Ahiokhai,2024-04-08 The year 2020 marks the centenary of the passing of the 19th Amendment that allowed for women in the United States to vote. The strategic struggle of women demanding equal dignity and the right to vote in the United States helped to shed light on the systemic evils that have plagued the collective history of the country. Ideologies of racism, genderism, classism, and many more were and continue to be used to deny women their dignities both in the United States and in other parts of the world. This work sheds light on the intersectionality of religion, class, gender, philosophy, theology, and culture as they shape the experiences of women, especially women of color. A fundamental question that this volume aims to address is: What does it mean to be a woman of color in a world where systems of erasure dominate? The title of this volume is meant to showcase a deliberate engagement with the uncelebrated insights and perspectives of women of color in a world where systemic discrimination persists and to articulate new strategies and paradigms for recognizing their contributions to the broader struggles for freedom and equity of women in our world.

**Religious Education in the African American Tradition** Kenneth H. Hill,2012-11 Schweitzer's goal in this book is to explore what postmodernity actually means for theology and how theology and the church may respond to its challenges. He focuses on the life cycle as it is changing with the advent of postmodernity, looking sequentially at segments of the life cycle using different lenses: modernity, postmodernity, and responses from church and theology. Schweitzer concludes with a theology of the life cycle.

**African American Theology** Frederick L. Ware,2016-03-01 This book presents a substantial introduction to the major methodologies, figures, and themes within African American theology. Frederick L. Ware explores African American theology from its inception and places it within dual contexts: first, the African American struggle for dignity and full humanity; and second, the broader scope of Christian belief. Readers will appreciate Ware's demonstration of how black theology is expressed in a wide range of sources that includes not only scholarly publications but also African American sermons, music, news, and editorials, biography, literature, popular periodicals, folklore, and philosophy. Each chapter concludes with questions for discussion and suggested resources for further study. Ware provides a seasoned perspective on where African American theology has been and where it is going, and he demonstrates its creativity within the chorus of Christian theology.

**Ebony** ,1997-08 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American focused magazine.

*The Elusive Dream* Korie L. Edwards,2008-08-27 It is communion Sunday at a mixed race church. A black pastor and white head elder stand before the sanctuary as lay leaders pass out the host. An African American woman sings a gospel song as a woman of Asian descent plays the piano. Then a black woman in the congregation

throws her hands up and yells over and over Thank you Lawd A few other African Americans in the pews say Amen while white parishioners sit stone faced The befuddled white head elder reads aloud from the Bible his soft voice drowned out by the shouts of praise Even in this proudly interracial church America's racial divide is a constant presence In *The Elusive Dream* Korie L Edwards presents the surprising results of an in depth study of interracial churches they help perpetuate the very racial inequality they aim to abolish To arrive at this conclusion she combines a nuanced analysis of national survey data with an in depth examination of one particular church She shows that mixed race churches adhere strongly to white norms African Americans in multiracial settings adapt their behavior to make white congregants comfortable Behavior that white worshipers perceive as out of bounds is felt by blacks as too limiting Yet to make interracial churches work blacks must adjust their behavior to accommodate the predilections of whites They conform to white expectations in church just as they do elsewhere Thorough incisive and surprising *The Elusive Dream* raises provocative questions about the ongoing problem of race in the national culture

Culture, Relevance, and Schooling Lisa Scherff, Karen Spector, 2011-03-16 In *Culture Relevance and Schooling Exploring Uncommon Ground* Lisa Scherff Karen Spector and the contributing authors conceive of culturally relevant and critically minded pedagogies in terms of opening up new spatial discursive and or embodied learning terrains Readers will traverse multiple landscapes and look into a variety of spaces where attempts to tear down or build up pedagogical borders based upon socially just design are underway In disciplines ranging from elementary science to high school English to college kinesiology the contributors to this volume describe their attempts to remake schooling in ways that bring hope and dignity to their participants

**African Americans and the Bible** Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible *African Americans and the Bible* is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus *African Americans and the Bible* provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

*Beating the Odds: Pedagogy, Praxis and*

*the Life-World of Four African American Men* Dr. James Oliver Richardson Jr.,2013-03-20 The purpose of my qualitative research is to reveal how four African American men overcame inferior education and Jim Crow laws In the early twentieth century the social and economic conditions of African American men were appalling yet they refused to accept the notion of inferior beings and second class citizenship Phenomenological interviews were conducted The major conclusions that evolved from the data were that family and church were significantly important to the participants This is a study about four African American mens pedagogy praxis and their quest for discovery self realization and high expectations My inquiry is also about their struggles dreams failures and disillusionment

**Bitter the Chastening Rod** Ericka S. Dunbar Hill,Angela N. Parker,Mitzi J. Smith,2022-02-28 Bitter the Chastening Rod follows in the footsteps of the first collection of African American biblical interpretation *Stony the Road We Trod* 1991 Nineteen Africana biblical scholars contribute cutting edge essays reading Jesus criminalization the enslaved and whitened interpretations of the enslaved They present pedagogical strategies for teaching hermeneutics and bible translation that center Black Lives Matter and black culture Biblical narratives news media and personal stories intertwine in critical discussions of black rage protest anti blackness and mothering in the context of black precarity

**No Longer Slaves** Brad Ronnell Braxton,2015-03-15 No Longer Slaves brings the ancient New Testament message into conversation with African American culture Twenty centuries after Paul penned Galatians American culture in general and American Christianity in particular continue to struggle with the problem of race relations Our challenges are not identical to those faced by Paul and the Galatians Yet when one reads Galatians through the lens of African American experience striking similarities emerge In No Longer Slaves Brad Braxton helps us see that race relations is a central issue in Galatians Paul believes that Christ came in order to unite Jews and

Gentiles The church was intended to be a multi ethnic community in which persons of different backgrounds co existed harmoniously Any effort to compel Gentiles to live as Jews is an invalidation of the freedom of the Gospel Galatians offers us a portrait of an early Christian leader and community sorting out complex social issues No Longer Slaves explores the concept of liberation in African American experience It entails a discussion of American slavery Rather than depicting African Americans simply as victims of the crimes of slavery and segregation Braxton describes the creative cultural and religious responses of African Americans to their oppression He employs a type of reader response theory that considers the experiences of the reading community as a lens through which texts are read His discussion of methodology exposes the reader to some of the issues in the current debate without becoming burdensome to the non specialist The remainder of the book is an interpretation of Paul s letter to the Galatians Although Braxton takes seriously the original context of Galatians and his exegesis engages the Greek text he offers a contemporary theological reading that privileges the history experiences and concerns of African Americans Those who are concerned about the connection between Christianity and ethnicity will find this interpretation intriguing and challenging Chapters in Liberation and African American Experience are Introduction Liberation Rationales and Definitions Blackness Biology and Ideology and African American Biblical Interpretation Chapters in A Reading Strategy for Liberation are Reader Response Criticism and Black and Womanist Theologies The Bible and Authority in Reader Response Criticism and The African American Christian Interpretive Community Chapters in Galatians and African American Experience are Introduction Historical Overview Interpretations and Conclusion Includes a bibliography Brad Ronnell Braxton PhD is the Jessie Ball DuPont Assistant Professor of Homiletics and Biblical Studies at Wake Forest University Divinity School in Winston Salem North Carolina He is an ordained Baptist minister and for five years served as Senior Pastor of Douglas Memorial Community Church in Baltimore Maryland

**Forged in the Fiery Furnace** Diana L.

Hayes,2012 African American spirituality was forged in the fiery furnace of slavery segregation and ongoing racial discrimination in both church and society But African Americans are a people who are strengthened rather than weakened by their experience This volume traces how African Americans have articulated their faith and love of God in language song and daily living Beginning with its spiritual roots in Africa Hayes shows how African American spirituality encompassed and incorporated the experience of slavery and the encounter with Christianity Remarkably African American slaves were able to find in the religion of their oppressors a message of hope affirmation and resistance Through stories song distinctive forms of prayer celebration and prophetic witness Hayes shows how the spirituality of African Americans has nurtured their survival as well as promoting action on behalf of the community and the greater society

**Philosophies and Practices of Emancipatory Nursing** Paula N. Kagan,Marlaine C. Smith,Peggy L. Chinn,2014-07-17 Awarded First Place in the 2015 AJN Book of the Year Award in two categories History and Public Policy and Professional Issues This anthology presents the philosophical and practice perspectives of nurse scholars whose works center on promoting nursing research practice and education within frameworks of social justice and critical theories Social justice nursing is defined by the editors as nursing practice that is emancipatory and rests on the principle of praxis which is practice aimed at attaining social justice goals and outcomes that improve health experiences and conditions of individuals their communities and society There is a lack in the nursing discipline of resources that contain praxis approaches and there is a need for new concepts models and theories that could encompass scholarship and practice aimed at purposive reformation of nursing other health professions and health care systems Chapters bridge critical theoretical frameworks and nursing science in ways that are understandable and useful for practicing nurses and other health professionals in clinical settings in academia and in research In this book nurses ideas and knowledge development efforts are not limited to problems and solutions emerging from the dominant discourse or traditions The authors offer innovative ways to work towards establishing alternative forms of knowledge capable of capturing both the roots and complexity of contemporary problems as distributed across a diversity of people and communities It fills a significant gap in the literature and makes an exceptional contribution as a collection of new writings from some of the foremost nursing scholars whose works are informed by critical frameworks

**My Father's Faith** Dr. Jacqueline M. Gaither Respress,2015-11-17 My Fathers Faith tells the personal and inspiring story of the Christian faith in action in the life of Dr Jacqueline M Gaither Respress a lifelong educator She blends together narratives poetry passages from the Scriptures significant quotations and her own research to accomplish two entwined goals In the pages of My Fathers Faith she shows how the strength of her Christian beliefs passed on to her by her father in particular has sustained and strengthened her Second she uses her own story to map out a hopeful path for other African American women She diagnoses the challenges and barriers that minority womenboth in youth and adulthoodface in American culture She shows how hope that touches the lives of academically challenged students finds a face in teachers who remain focused on helping

their students learn Whether you find personal testimonies of the power of faith to be inspiring or you desire to learn how the educational system can become a support to young minority females My Fathers Faith will meet your expectations Along the way you will come to know Dr Respress and to appreciate the beauty of the faith that she inherited from her own father

**Covenant Companion** ,1998      Pressing Toward the Mark E. Hammond Oglesby,2007-06-01 E Hammond Oglesby offers a new method of moral discourse that can speak to ongoing critical issues in the black community such as the AIDS pandemic an absence of young adult participation in many black churches and a continuing battle against racism In Pressing Toward the Mark he demonstrates that ordinary people of faith become ethical not by chance but by choice He also helps readers understand the importance of Christian ethics in light of the deep spiritual and cultural roots of the black church in America Through stories theological reflection and case studies meant to encourage small group discussion Oglesby builds a case that Christian ethics begins in the rhythmic flux of the black religious experience with a love of freedom because no child of God can be fully Christian without being free Galatians 5 1
