and Performing Female Identity in Italian Culture* Virginia Picchietti,Laura A. Salsini,2017-01-28 This volume investigates the
ways in which Italian women writers filmmakers and performers have represented female identity across genres from the
immediate post World War II period to the turn of the twenty first century Considering genres such as prose poetry drama
and film these essays examine the vision of female agency and self actualization arising from women artists critique of female
identity This dual approach reveals unique interpretations of womanhood in Italy spanning more than fifty years while also
providing a deep investigation of the manipulation of canvases historically centered on the male subject With its unique
coupling of generic and thematic concerns the volume contributes to the ever expanding female artistic legacy and to our
understanding of postwar Italian women s evolving relationship to the narration of history gender roles and these artists use
and revision of generic convention to communicate their vision
