Historic Scotland

Stirling Castle Historic Scotland:

Stirling Castle Richard Fawcett, 2001 Stirling Castle is one of Scotland's most famous historical sites and one that featured prominently in Scottish history. Associated particularly with the Stewart kings, its chequered history is interwoven with details on the architectural changes made to the buildings through time. The withdrawal of the army from the castle in 1964 paved the way for a major campaign of conservation and restoration which forms the focus of this publication. A series of experts involved in this campaign report on the work carried out and reveal hidden details on this important building. Richard Fawcett looks at the architecture overall. Michael Lynch at the Great Hall in the reigns of Mary and James VI. Doreen Grove studies the militarisation of the castle. Iain MacIvor the decision to restore the Hall and Ingal Maxwell Peter Buchanan Gordon Ewart and Duncan Peet deal with the different stages and procedures involved in the restoration, surveying and recording of the castle buildings.

Stirling Castle Historic Scotland, 2005 **Stirling Castle** Historic Scotland, 2024-08 Stirling Castle is one of the great highlights of Scotland's colourful historic landscape. With a history dating back at least to the 1100s, it has been both a crucial fortress guarding a main route between Highlands and Lowlands and a major royal residence. Its strategic importance during the Wars of Independence led to multiple sieges and it continued in its military role right into the present century. Stirling was a favourite home of monarchs of the Stewart/Stuart dynasty and it was here that they commissioned the Great Hall, Palace and Chapel Royal, three of Scotland's finest buildings of the 1500s. The Great Hall and Palace have been restored and recreated, allowing visitors unique insight into the grand lifestyles and decor of the Scottish Renaissance.

Stirling Castle Richard Fawcett, **The complete travel guide for Scotland (United Kingdom)**, Stirling Castle Historic Scotland, 1996 **Stirling Castle** Peter Yeoman, Kirsty Owen, 2020-03-19 The volcanic crag that dominates Stirling was probably fortified from ancient times, but the importance of Stirling Castle as a royal residence peaked in the 16th century. Around 1500 James IV added new buildings, including the vast Great Hall. The elegant Chapel Royal was built by James VI in 1594. But the heart of Stirling Castle is the spectacular Palace commissioned by James V in the 1530s. Its exuberant design drew on the fashions of the European Renaissance to express James's power and sophistication. Following a major programme of research, Historic Scotland has re-presented the Palace interiors as they might have looked when James V's grand scheme was completed. This book also includes a guide to Argyll's Lodging and Mar's Wark grand residences occupied by major nobles near the castle.

Scotland's Castles Janet Brennan-Inglis, 2014-07-07 Scotland's Castles is a beautifully illustrated celebration and account of the renaissance of Scottish castles that has taken place since 1950. Over 100 ruined and derelict buildings, from tiny towers to rambling baronial mansions, have been restored as homes, hotels and holiday lets. These restorations have mainly been carried out by new owners without any connections to the land or the family history of the buildings which they bought as ruins. Their struggles and triumphs, including interviews and first person accounts, form the core of the book, set in the context of the enormous social, political and economic changes.
