

# Stirling Castle Historic Scotland

**BM King**

## **Stirling Castle Historic Scotland:**

*Stirling Castle* Richard Fawcett, 2001 Stirling Castle is one of Scotland's most famous historical sites and one that featured prominently in Scottish history. Associated particularly with the Stewart kings, its chequered history is interwoven with details on the architectural changes made to the buildings through time. The withdrawal of the army from the castle in 1964 paved the way for a major campaign of conservation and restoration which forms the focus of this publication. A series of experts involved in this campaign report on the work carried out and reveal hidden details on this important building. Richard Fawcett looks at the architecture overall. Michael Lynch at the Great Hall in the reigns of Mary and James VI. Doreen Grove studies the militarisation of the castle. Iain MacIvor the decision to restore the Hall and Ingal Maxwell Peter Buchanan Gordon Ewart and Duncan Peet deal with the different stages and procedures involved in the restoration, surveying and recording of the castle buildings. **Stirling Castle** Historic Scotland, 2005 *Stirling Castle* Richard Fawcett,

*Stirling Castle* Historic Scotland, 1996 [The complete travel guide for Scotland \(United Kingdom\)](#), *Stirling Castle* Peter Yeoman, Kirsty Owen, 2020-03-19 The volcanic crag that dominates Stirling was probably fortified from ancient times but the importance of Stirling Castle as a royal residence peaked in the 16th century. Around 1500 James IV added new buildings including the vast Great Hall. The elegant Chapel Royal was built by James VI in 1594. But the heart of Stirling Castle is the spectacular Palace commissioned by James V in the 1530s. Its exuberant design drew on the fashions of the European Renaissance to express James's power and sophistication. Following a major programme of research, Historic Scotland has re-presented the Palace interiors as they might have looked when James V's grand scheme was completed. This book also includes a guide to Argyll's Lodging and Mary's Wark grand residences occupied by major nobles near castle.

**Scotland's Castles** Janet Brennan-Inglis, 2014-07-07 Scotland's Castles is a beautifully illustrated celebration and account of the renaissance of Scottish castles that has taken place since 1950. Over 100 ruined and derelict buildings from tiny towers to rambling baronial mansions have been restored as homes, hotels and holiday lets. These restorations have mainly been carried out by new owners without any connections to the land or the family history of the buildings which they bought as ruins. Their struggles and triumphs, including interviews and first person accounts, form the core of the book, set in the context of the enormous social, political and economic changes of the late twentieth century. **Scottish Royal Palaces** John G. Dunbar, 1999 The first exclusive study of a group of buildings of outstanding historical and architectural interest. John G. Dunbar discusses the organisation of the royal works, the roles of the principal officials and tradesmen responsible for the construction of these palaces and how they functioned when the king and court were in residence. He focuses particularly on Linlithgow, Falkland, Stirling, Holyroodhouse and Edinburgh Castle. *With Thy Towers High* Gordon Ewart, Dennis Gallagher, 2015-11-04 **Stirling Castle** Eric Stair-Kerr, 2019-11-16 This illustrated book contains the history of Stirling Castle in Scotland, a place famous for its beautiful design for accommodating various royals and for its decisive role in

Medieval wars The author tackles the various facets of Stirling Castle's history beginning with how the site of the building was selected for its geography The rugged hilly landscapes were considered ideal for defensive structures the County of Stirling was the site of several decisive battles between the Scots and the English The strenuous efforts of King Edward I who sought to subdue Scotland just as he had subdued Wales resulted in Stirling Castle becoming an emblem of Scottish strength and resistance Significantly the great fort was chosen as the birthplace for royal children with James VI being the last monarch of Scotland to choose Stirling Castle for this purpose Following the 17th century and with gunpowder rendering its defenses obsolete the castle's military purpose ceased and it became instead a monument to Scotland's history and culture The concluding chapters of this book note the presence of Stirling in poetry and the fact it accommodated many distinguished guests The architecture and design of the fort is detailed along with drawings allowing the reader the greatest comprehension The Scottish Historical Review ,1915 A new series of the Scottish antiquary established 1886
