

A BANTAM WAR BOOK

THE INCREDIBLE STORY OF THE
PHANTOM MAJOR, THE GALLANT MEN
AND THEIR DEEDS OF DARING

STIRLING'S DESERT RAIDERS

BY VIRGINIA COWLES

SPECIALLY ILLUSTRATED EDITION

Stirlings Desert Raiders

Michael Scott

Stirlings Desert Raiders:

Stirling's Desert Raiders Virginia Cowles, 1985-01 *Stirling's Desert Raiders* Virginia Cowles, 1979 *The Desert Raider* Zach Neal, Owen Foster is with the Special Air Service He s been missing for about five weeks and Mariyah Khoudry is trying to find out what happened to him They re legally married and she might be pregnant Sergeant Major Bullen stuck with the duty will do his best to locate the lad whether dead or alive A short story of romance and adventure **Stirling's Desert Triumph** Gavin Mortimer, 2015-04-20 The night of July 26 1942 saw one of the most audacious raids of World War II just as the outcome of that conflict hung in the balance In North Africa a convoy of 18 Allied jeeps carrying Special Air Service personnel appeared out of the early morning darkness and drove onto the Axis landing strip at Sidi Haneish in the Egyptian desert Within the space of a few savage minutes 18 Axis aircraft were ablaze a dozen more were damaged and scores of guards lay dead or wounded The men responsible for the raid then vanished into the night as swiftly as they had arrived prompting the Germans to dub the enemy leader David Stirling The Phantom Major Featuring full colour artwork gripping narrative and incisive analysis this engaging study recounts the origins planning execution and aftermath of the daring raid that made the name of the SAS at the height of World War II **Rogue Heroes** Ben Macintyre, 2016-10-04 NEW YORK TIMES BESTSELLER The incredible untold story of World War II s greatest secret fighting force as told by the modern master of wartime intrigue now an original series on MGM Reads like a mashup of The Dirty Dozen and The Great Escape with a sprinkling of Ocean s 11 thrown in for good measure Michiko Kakutani The New York Times ONE OF NPR S BEST BOOKS OF THE YEAR Rogue Heroes is a ripping good read Washington Post 10 Best Books of the Year Britain s Special Air Service or SAS was the brainchild of David Stirling a young aristocrat whose aimlessness belied a remarkable strategic mind Where most of his colleagues looked at a World War II battlefield map and saw a protracted struggle Stirling saw an opportunity given a small number of elite men he could parachute behind Nazi lines and sabotage their airplanes and supplies Defying his superiors conventional wisdom Stirling assembled a revolutionary fighting force that would upend not just the balance of the war but the nature of combat itself Bringing his keen eye for detail to a riveting wartime narrative Ben Macintyre uses his unprecedented access to the SAS archives to shine a light on a legendary unit long shrouded in secrecy

Brothers in Arms Damien Lewis, 2023-10-24 From a critically acclaimed and 1 internationally bestselling author the most riveting WWII story of Churchill s legendary SAS the special forces unit of the British Army chronicling one close knit band of warriors from the SAS foundation through to the Italian landings which truly turned the tide of war In 1941 as World War Two raged scores of men stepped forward to answer Winston Churchill s call for volunteers for Special Service a high risk opportunity to undertake the most hazardous top secret duties of war Comprised of some of the finest fighting units in the entire British Army these warriors longed to leave behind their mind numbing garrison duties for battle They hungered to pit themselves against a seemingly omnipotent enemy and brave a bloody and bruising baptism by fire A rightfully proud

regiment with an unrivalled esprit de corps they were disavowed as unruly by top brass unyieldingly vaunted by Churchill and courageously loyal to the clandestine butcher and bolt raids that made their sacrifices and their triumphs legendary But even as the combat worn ranks of the SAS risked all to deliver the first resounding defeats on Nazi Germany there were well founded fears that their fortunes would change In *Brothers in Arms* Damien Lewis pays tribute to the mavericks and visionaries who founded elite forces soldiering the SAS Exhaustively researched from an invaluable trove of never before seen documents wartime letters diaries mission reports rare photos undeveloped film plus interviews with WWII veterans and their surviving families Damien follows one close knit band of men from the founding of the SAS through to the Italian landings which truly turned the tide of the war It is a breathtaking narrative of do or die action and unbelievable daring chronicling the exploits of some of the most fearless revered and under the radar soldiers of the 20th century

Vehicles of the Long Range Desert Group 1940-45 Gavin Mortimer, 2021-02-18 A fascinating study of the specialized vehicles kit and techniques of the Long Range Desert Group who pioneered long range desert warfare in World War II and worked closely with the embryonic SAS The Long Range Desert Group was one of the most famous special units of World War II operating heavily modified vehicles deep behind enemy lines to gather intelligence and support the raids of David Stirling's new Special Air Service When war broke out a pre war explorer and army officer Ralph Bagnold convinced Middle East Command of the need for a reconnaissance force to penetrate into Italian held desert Bagnold tested four types of vehicles over rocks and through soft sand to find the best one for his new unit He selected the Chevrolet WB 30 CWT as the signature vehicle of the Long Range Desert Group because it is fast simple and easy to handle With left hand steering horizontal grill and round fenders on the rear wheels these trucks proved themselves popular and effective The durability of the Chevrolets was demonstrated in January 1941 with an audacious raid on the Italian fort air strip at Murzuk hundreds of miles behind enemy lines This book explains the detail of all the vehicles of the LRDG as well as their modifications driving techniques and special kit for surviving behind enemy lines in one of the most hostile environments on earth

From Churchill's SAS to Hitler's Waffen-SS Michael Scott, 2023-01-05 Thoroughly researched and well written this book astounds the reader as to how its subject managed to get away with all the things he did The author tells a good story about a bad man and his wartime escapades WWII History Magazine Captain Douglas Berneville Claye was serving with the fledgling SAS with fellow officers such as David Stirling and Blair Paddy Mayne when he was captured in the Western Desert He was turned and became a member of the Nazi Waffen SS Collaboration with the enemy was confirmed when dressed as an SS captain he approached remnants of the British Free Corps the Waffen SS unit composed of renegade British nationals He exhorted them to serve under his command against Russian forces Post war Berneville Claye was investigated by MI5 for treachery Following an Army court martial he was dishonorably dismissed and sentenced to six months imprisonment Upon release his escapades and private life were no less contentious A philanderer and bigamist he married four times sired ten children and rubbed

shoulders with the criminal underworld in and out of prison Eventually he succeeded in emigrating to Australia Thanks to the author's painstaking research this is a compelling yet shocking biography of one of the most intriguing colorful and disreputable characters of his era How he escaped with his life is a question readers will ponder Daggers Drawn Mike Morgan, 2011-11-30 Mike Morgan presents 25 stories about the larger than life exploits of the SAS and SBS in World War II supported by a selection of rare archive and action shots Some stories are previously unpublished SAS Heroes Pete Scholey, 2011-12-20 SAS Heroes contains former SAS member Pete Scholey's memories of 20 soldiers who were genuine heroes although many were never recognised as such during their lives or even in death It is a book of stories about soldiers who fought for their country with no desire to be famous feted or rewarded many of whom died in action A few received medals and all earned the respect and admiration of their fellow soldiers their names and faces etched into the true history of the SAS Some of the stories of Pete's heroes have never been told before and certainly none of the tales of combat and life in the regiment have been told in such a touching real and compelling manner David Stirling Gavin Mortimer, 2022-05-26 Aristocrat gambler innovator and special forces legend the life of David Stirling should need no retelling His formation of the Special Air Service in the summer of 1941 led to a new form of warfare and Stirling is remembered as the father of special forces soldiering But was he really a military genius or in fact a shameless self publicist who manipulated people and the truth for his own ends In this gripping and controversial biography Gavin Mortimer analyses Stirling's complex character the childhood speech impediment that shaped his formative years the pressure from his overbearing mother his fraught relationship with his brother Bill and the jealousy and inferiority he felt in the presence of his SAS second in command the cold blooded killer Paddy Mayne Stirling lived until old age receiving a knighthood and plaudits from military forces around the world before his death in 1990 Yet as Mortimer dazzlingly shows while Stirling was instrumental in selling the SAS to Churchill and senior officers it was Mayne who really carried the regiment in the early days Stirling was at best an incompetent soldier and at worst a foolhardy one who jeopardised his men's lives with careless talk and hare-brained missions Drawing on interviews with SAS veterans who fought with Stirling and men who worked with him on his post war projects and examining recently declassified governments files about Stirling's involvement in Aden Libya and GB75 Mortimer's riveting biography is incisive bold honest and written with his customary narrative panache Impeccably researched and with the courage to challenge the mythical SAS brand Mortimer brings to bear his unparalleled expertise as WW2's premier special forces historian to dig beneath the legend and reveal the real David Stirling a man who dared and deceived Paddy Mayne Hamish Ross, 2011-08-26 The best biography I've read recently Colin Bateman Sunday Independent An excellent examination of Mayne Ross corrects many of the myths about him that have flourished over the years History of War magazine This welcome reassessment officially backed and well researched sets the record straight Soldier Magazine Paddy Mayne was one of the most outstanding special forces leaders of the Second World War Hamish Ross's authoritative study

follows Mayne from solicitor and rugby international to troop commander in the Commandos and then the SAS whose leader he later became and whose annals he graced winning the DSO and three bars the Croix de Guerre and the Legion d'Honneur Mayne's achievements attracted attention and after his early death legends emerged based largely on anecdote and assertion Hamish Ross's closely researched biography challenges much of the received version using contemporary sources the official war diaries the chronicle of 1 SAS Mayne's papers and diaries and a number of extended interviews with key contemporaries Ross's analysis shows Mayne to be a dynamic yet principled and thoughtful man committed to the unit's original concepts He was far from flawless but his leadership and tactical brilliance in the field secured the reputation of the SAS proving he was every bit a rogue hero *Thinker, Failure, Soldier, Jailer* Harry Quetteville, 2012-11-08 The Telegraph's obituaries pages are renowned for their quality of writing and capacity to distil the essence of a life from its most extraordinary moments A unique mix of heroism ingenuity infamy and the bizarre Thinker Failure Soldier Jailer collects the very best of those obituaries to present an endlessly absorbing compendium of human endeavour Organised day by day around the calendar year with each life presented on the date it ended the book features hundreds of remarkable stories World statesmen jostle with glamorous celluloid stars pioneering boffins sit alongside chart topping rock n rollers while artists and their muses mingle with record breaking sportsmen Victoria Cross winners spies showgirls and captains of industry as well as the titans of rather more esoteric fields Here for instance can be found Britain's greatest goat breeder a hangman who campaigned to abolish the death penalty a priest to Soho's pimps a cross dressing mountaineer and a minister who preached a gospel of avarice donations in notes only please as change makes me nervous A treasure trove of human virtue vice and trivia *Thinker Failure Soldier Jailer* is the perfect gift for the armchair psychologist in all of us **Heroes of the Battlefield** Brian Williams, 2015-07-02 The year is 1939 Germany led by Adolf Hitler has invaded Poland The world is about to enter into the biggest and most terrible war in history But from the depths of despair rose some very courageous selfless individuals such as Douglas Bader Leonard E Bude Lomell and Joan Daphne Pearson who risked their lives for the sakes of others in need often for no gain and with no recognition Here are some of their incredible stories **The Mammoth Book Of Special Forces Training** Jon E. Lewis, 2015-01-22 In this encyclopedic book Lewis provides insights into the origins training tactics weapons and achievements of special forces and special mission units throughout the world focusing particularly on US and UK forces He also looks at the codes that bind the members of these elite units together He reveals training secrets in everything from wilderness survival to hand to hand combat In doing so he draws extensively on biographies autobiographies training manuals interviews and press coverage of key operations The elite forces covered include The British Army's Special Air Service SAS established in 1950 which has served as a model for the special forces of many countries Its counter terrorist wing famously took part in the hostage rescue during the siege of the Iranian Embassy in London in 1980 The Parachute Regiment the airborne infantry element of 16 Air Assault Brigade which spearheads the British Army's rapid intervention

capability It is closely linked to United Kingdom Special Forces The US Navy's SEALs Sea Air Land Teams trained to conduct special operations in any environment but uniquely specialised and equipped to operate from and in the sea Together with speedboat operating Naval Special Warfare Combatant Craft Crewmen they form the operational arm of the Naval Special Warfare community the Navy component of the US Special Operations Command Their special operations include neutralizing enemy forces reconnaissance counter terrorism famously in the killing of Osama bin Laden and training allies The US Army's Delta Force The Special Mission Unit 1st Special Forces Operational Detachment Delta 1st SFOD D known simply as Delta Force the Army component of Joint Special Operations Command Its role is counter terrorism direct action and national intervention operations though it has the capability to conduct many different kinds of clandestine missions including hostage rescues and raids The US Army Rangers a light infantry combat formation under the US Army Special Operation Command The Green Berets motto to free the oppressed trained in languages culture diplomacy psychological warfare and disinformation Russia's Spetsnaz whose crack anti terrorist commandos ended the Moscow theatre siege and who have a reputation for being among the world's toughest and most ruthless soldiers Spetsnaz units saw extensive action in Afghanistan and Chechnya often operating far behind enemy lines Israeli Special Forces especially Shayetet 13 Flotilla 13 whose motto in common with the rest of the Israeli military is Never again a reference to the Holocaust They are particularly adept at the specifically Israeli martial art Krav Maga which they dub Jew jitsu The Book of War John Keegan, 2000-11-01 Acclaimed military historian John Keegan's anthology of war writing from 25 centuries of battle In The Book of War John Keegan marshals a formidable host of war writings to chronicle the evolution of Western warfare through the voice of the most eloquent participants from Thucydides classic account of ancient Greek phalanx warfare to a blow by blow description of ground fighting against the Iraqi troops in Kuwait during the Gulf War Keegan gathers more than eighty selections including Caesar's Commentaries on the Roman invasion of Britain the French Knight Jehan de Wavrin at the battle of Agincourt Davy Crockett in the war against the Creek Wellington's dispatch on Waterloo Hemingway after Caporetto and Ernie Pyle at Normandy The best military historian of our generation Tom Clancy A monumental piece of literary military history Chicago Tribune A brilliantly edited and comprehensive anthology The New York Times Book Review **Military Review**, 1979 **SAS : Great Britain's Elite Special Air Service** Leroy Thompson, 1999 **Guardsmen of the Sky** J. N. P. Watson, 1997 **SAS Zero Hour** Tim Jones, 2017-10-30 The historian and author of Postwar Counterinsurgency and the SAS reveals the full story of how the Special Air Service Regiment began during WWII Britain's elite Special Air Service Regiment is one of the most revered special ops units in the world Its high profile operations include the storming of the Iranian Embassy in London in 1980 and the hunt for Osama bin Laden in southern Afghanistan following 9 11 Since its inception during the Second World War the SAS has become a byword for the highest possible standards in both conventional and unorthodox methods of warfare In **SAS Zero Hour** military historian and SAS expert Tim Jones offers

fascinating new insight into how this elite regiment began It is commonly held that the unit was the brainchild of just one man David Stirling While not dismissing Stirling s considerable contribution Jones s historical investigation reveals many other factors that played a part in shaping the SAS including the roles of military deception specialist Dudley Clarke Field Marshals Archibald Wavell and Claude Auchinleck and others Drawing extensively on primary sources as well as reassessing the more recent regimental histories and memoirs SAS Zero Hour is The most comprehensive and enlightening version of these seminal events yet Sir Ranulph Fiennes from the Forward

Stirlings Desert Raiders Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Stirlings Desert Raiders**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
