Brown,2016-02-23 Surviving Stolen Innocence is my book and personal testimony of how I survived childhood rape God blessed me with a warrior spirit that would not permit me to remain a victim When a joyous event occurred in my brother s life I was forced to face finally the residue of that long buried violation Healing is not an overnight process it requires much work and soul searching In bowing to the process of healing I was able to admit I had a problem accept that I had been sexually violated acknowledge my self worth acquire a new outlook on life and establish a new dating life with God Additionally I came to learn that in order for me to truly live a healthier life I had to embrace endless hours of praying fasting and putting forth genuine effort Surviving stolen innocence is an ongoing process of breaking free from the bondage of embarrassment hurt anger disappointment revenge unforgiveness low self esteem unworthiness and any other negative emotion as a result of one s pureness of body mind and life being tainted by another person s immoral or unethical acts These acts or behavior could be

but not limited to rape domestic or emotional abuse bullying false imprisonment or murder of a loved one etc In essence in spite of being a victim of a random impure act choose to be a victor You are well worth the survival *Stolen Halo* Trish Dinsmoor, 2012-02 STOLEN HALO is a moving and engrossing memoir about childhood physical sexual and emotional abuse about rejection and abandonment that provides a perspective that only a person who was that child can know STOLEN HALO is a true testament to the importance and the process of facing one's past head on resurrecting that past owning and respecting it putting it into written words and then sharing one's own story with the universe in the hope that those words will somehow help others make sense of their own lives just as writing them made sense to the author For Trish Dinsmoor in STOLEN HALO it isn't just a matter of honesty it is a matter of responsibility to get her message of hope out to all the victims of abuse STOLEN HALO and its poignant message of hope and survival is Trish Dinsmoor's attempt to set herself and other victims free
