Stolen Sharpie Revolution Alex Wrekk,2003-01-01 Stolen Sharpie Revolution ,2003 **Stolen Sharpie Revolution 2** Alex Wrekk,2009 Since 2002 Stolen Sharpie Revolution has been the ultimate guidebook to all things zine This little red book is stuffed with information for you may know stuff you don't know and even stuff you didn't know you knew for the beginner to the experienced zinester Stolen Sharpie Revolution consists of how to guides on a variety of topics from layout to book binding to screen printing resources on and offline where to find zines how to start a zine library how and where to get your zine distributed and more The 2008 Stolen Sharpie Revolution 2 has completely new layout and includes the usual updated resource listings for stores distros zine events and zine libraries It will also contain all new sections on zines in academics and education a guide to the US postal system what to do at a zinefest how to start a zine fest lots of internet resources and more This book has everything you need to get started creating your own zine or to figure out what to do with the zine you already create Stolen Sharpie Revolution 2 can serve both as an introduction into the wide world of zine culture and the next step of being a part of it **A Bad Woman Feeling Good: Blues and the Women Who Sing Them**

Buzzy Jackson,2005-02-17 The women who broke the rules creating their own legacy of how to live and sing the blues An exciting lineage of women singers originating with Ma Rainey and her protégée Bessie Smith shaped the blues launching it as a powerful expressive vehicle of emotional liberation Along with their successors Billie Holiday Etta James Aretha Franklin Tina Turner and Janis Joplin they injected a dose of reality into the often trivial world of popular song bringing their message of higher expectations and broader horizons to their audiences These women passed their image their rhythms and their

toughness on to the next generation of blues women which has its contemporary incarnation in singers like Bonnie Raitt and Lucinda Williams with whom the author has done an in depth interview Buzzy Jackson combines biography an appreciation of music and a sweeping view of American history to illuminate the pivotal role of blues women in a powerful musical tradition Musician Thomas Dorsey said The blues is a good woman feeling bad But these women show by their style that he had it backward The blues is a bad woman feeling good

From A to Zine Julie Bartel,2004 Libraries eager to serve the underserved teen to twenty year old market can make the library a cool place to hang out All it takes are zines according to the author young adult librarian Julie Bartel Zines and alternative press materials provide a unique bridge to appeal to disenfranchised youth alienated by current collections For librarians unfamiliar with the territory or anxious to broaden their collection veteran zinester Bartel establishes the context history and philosophy of zines then ushers readers through an easy do it yourself guide to creating a zine collection includ *Punk Rock and the Politics of Place* Jeffrey S.

Debies-Carl,2014-07-17 This book is an ethnographic investigation of punk subculture as well as a treatise on the importance of place a location with both physical form and cultural meaning Rather than examining punk as a sound or a style as many previous works have done it investigates the places that the subculture occupies and the cultural practices tied to those spaces Since social groups need spaces of their own to practice their way of life this work relates punk values and practices to the forms of their built environments As not all social groups have an equal ability to secure their own spaces the book also explores the strategies punks use to maintain space and what happens when they fail to do so After the Public Turn

Frank Farmer,2013-04-15 In After the Public Turn author Frank Farmer argues that counterpublics and the people who make counterpublics citizen bricoleurs deserve a more prominent role in our scholarship and in our classrooms Encouraging students to understand and consider resistant or oppositional discourse is a viable route toward mature participation as citizens in a democracy Farmer examines two very different kinds of publics cultural and disciplinary and discusses two counterpublics within those broad categories zine discourses and certain academic discourses By juxtaposing these two significantly different kinds of publics Farmer suggests that each discursive world can be seen in its own distinct way as a counterpublic an oppositional social formation that has a stake in widening or altering public life as we know it Drawing on major figures in rhetoric and cultural theory Farmer builds his argument about composition teaching and its relation to the public sphere leading to a more sophisticated understanding of public life and a deeper sense of what democratic citizenship means for our time
