The Mystery of the Stolen Necklace Willow Night,2020-11-04 Everyone is talking about the necklace that was stolen Will the thief get away with it or will the kids find the diamond and receive the reward **The Story of the Stolen Necklace** Margaret Potter,1974 *The Necklace Affair: A Regency Historical Mystery* Ashley Gardner,Jennifer Ashley,2011-07-10 In the spring of 1817 I agree to track down the missing necklace of a society matron and prove the innocence of her maid who has been arrested for the theft The matron in question declares that the rival for her husband s affections has stolen the necklace but I soon realize that the problem is not so simple I recruit Lady Breckenridge to infiltrate the household while Lucius Grenville and I assisted by Grenville s robust footmen follow other leads The investigation soon unearths scandal and past secrets and I find myself once more competing with the underworld criminal James Denis as I scramble to locate the necklace and clear all parties before an innocent hangs for the crime The events in this novella occur between the end of *The Sudbury School Murders* and the beginning of *A Body in Berkeley Square* *The Stolen Necklace* Susie Fisher,2014-06-12 Emma and Becky Miller have a problem well actually they have two problems the former has a beard phobia and the latter is afraid of horses Not a big deal if one is free to choose a suitor who won t sprout a beard after the marriage vows are uttered and if cars are an accepted mode of transportation However the sisters are Amish and since therapy is not an option what are the girls to do Then Becky is kidnapped and Lord Edward Greyson a British playboy who is hiding out in Lancaster County for a while joins Emma in the search for her sister He asks his FBI connection Lester Blake for help Lester and his team are searching for a stolen diamond necklace and when the two crimes seem connected all roads lead to Amish country *Smitten with Travel Romantic Comedy Collection* Ellen Jacobson,2022-02-25 Wacky humor Happily ever afters Lots of laughs All the feels If hilarious romantic comedies are your jam you ll want to check out this collection Three women traveling the world who find love when they least expect it BOOK 1 SMITTEN WITH RAVIOLI Love is on the menu in this sweet romantic comedy set in Italy Ginny s Italian cooking course was supposed to be a peaceful escape from her troubles But when she meets Preston an infuriating know it all history professor she quickly realizes her past has come back to haunt her The last thing Ginny needs is for Preston to find out who she really is Her plan seems foolproof assume a fake identity and keep her distance from the pretentious jerk But when they re forced to work together Ginny starts to see a different side of Preston She s torn between her desire to reveal who she really is and her fear that she ll lose everything in the process Will Ginny be able to trust Preston with her heart or will love turn out to be the ultimate recipe for disaster BOOK 2 SMITTEN WITH CROISSANTS Opposites attract in this geeky and sweet romantic comedy set in France When Mia first met Pierre she thought he was just a hot French waiter Turns out he s a smooth talking billionaire Mia learned the hard way not to trust rich guys But when she finds herself in Paris unemployed and homeless Pierre comes to her rescue and she s forced to overlook the fact that he s loaded Mia tries to resist Pierre s charms but when she discovers they have a shared love

of all things science fiction her defenses start to crumble Mia begins to wonder if a relationship with Pierre can work despite their vastly different backgrounds Can a small town American girl from the wrong side of the tracks and a cosmopolitan French guy with a geeky sense of humor find happiness together or will the dark forces in the universe tear them apart

BOOK 3 SMITTEN WITH STRUDEL Cloak and dagger shenanigans are on the agenda in this sweet romantic comedy set in Germany When Isabelle took a job working on a European riverboat the last thing she expected was to be recruited by a covert spy organization Enter Erich a devastatingly handsome German guy who reminds her of James Bond though the organization he works for is more along the lines of Get Smart Their IT department is the worst their intel is rarely right and the woman who s in charge well let s just say she s scarier than the bad guys If Isabelle s past has taught her anything it s that you should never trust a man who trades in secrets for a living But how can she say no to saving the world even if she s in danger of losing her heart

Shortchanged Howard Jacob Karger,2005-09-01 An eye opening read in the school of Barbara Ehrenreich s Nickel Dimed shines a bright light on the economy s darker side Publishers Weekly starred review Drive through a low income neighborhood and you re likely to see streets lined with pawnshops check cashers rent to own stores payday and tax refund lenders auto title pawns and buy here pay here used car lots We re awash in alternative financial services directed at the poor and those with credit problems Howard Karger describes this world as an economic Wild West where just about any financial scheme that s not patently illegal is tolerated Taking a hard look at this fringe economy Karger shows that what seem to be small independent storefront operations are actually part of a fully formed parallel economy dominated by a handful of well financed corporations subject to little or no oversight with increasingly strong ties to mainstream financial institutions It is a hidden world Karger writes where a customer s economic fate is sealed with a handshake a smile and a stack of fine print documents that would befuddle many attorneys Filled with heartbreaking stories of real people trapped in perpetual debt Shortchanged exposes the deceptive practices that allow these businesses to prey on people when they are most vulnerable Karger reveals the many ways this industry has run amok ruining countless people s lives and shows that it s not just the poor but more and more maxed out middle class consumers who fall prey to these devious schemes Balancing compassion with a realistic awareness of the risks any business faces in working with an economically distressed clientele Karger details hard headed practical recommendations for reforming this predatory industry
