2025 out Wednesday 17 September **The Knight and the Moth** Rachel Gillig, 2025-05-20 INSTANT 1 NEW YORK TIMES BESTSELLER Prepare to meet your next obsession Rebecca Ross author of *Divine Rivals* From New York Times bestselling author Rachel Gillig comes the next big romantasy sensation a gothic mist cloaked tale of a young prophetess forced on an impossible quest with the one knight whose future is beyond her sight Perfect for fans of Jennifer L Armentrout and Leigh Bardugo Sybil Delling has spent nine years dreaming of having no dreams at all Like the other foundling girls who traded a decade of service for a home in the great cathedral Sybil is a Diviner In her dreams she receives visions from six unearthly figures known as Omens From them she can predict terrible things before they occur and lords and common folk alike travel across the kingdom of Traum's windswept moors to learn their futures by her dreams Just as she and her sister Diviners near the end of their service a mysterious knight arrives at the cathedral Rude heretical and devilishly handsome the knight Rodrick has no respect for Sybil's visions But when Sybil's fellow Diviners begin to vanish one by one she has no choice but to seek his help in finding them For the world outside the cathedral's cloister is wrought with peril Only the gods have the answers she is seeking and as much as she'd rather avoid Rodrick's dark eyes and sharp tongue only a heretic can defeat a god *Freedom and Despair* David Shulman, 2018-10-15 Lately it seems as if we wake up to a new atrocity each day Every morning is now a ritual of scrolling through our Twitter feeds or scanning our newspapers for the latest updates on fresh horrors around the globe Despite the countless protests we attend the phone calls we make or the streets we march it sometimes feels like no matter how hard we fight the relentless crush of injustice will never abate David Shulman knows intimately what it takes to live your beliefs to return day after day to the struggle despite knowing you are often more likely to lose than win Interweaving powerful stories and deep meditations *Freedom and Despair* offers vivid firsthand reports from the occupied West Bank in Palestine as seen through the eyes of an experienced Israeli peace activist who has seen the Israeli occupation close up as it impacts on the lives of all Palestinian civilians Alongside a handful of beautifully written and often shocking tales from the field Shulman meditates deeply on how to understand the evils around him what it means to persevere as an activist decade after decade and what it truly means to be free The violent realities of the occupation are on full display We get to know and understand the Palestinian shepherds and farmers and Israeli volunteers who face this situation head on with nonviolent resistance Shulman does not hold back on acknowledging the daily struggles that often leave him and his fellow activists full of despair Inspired by these committed individuals who are not prepared to be silent or passive Shulman suggests a model for ordinary people everywhere Anyone prepared to take a risk and fight their oppressive political systems he argues can make a difference if they strive to act with compassion and to keep hope alive This is the moving story of a man who continues to fight for good in the midst of despair An indispensable book in our era of reactionary politics and refugee crises political violence and ecological devastation *Freedom and Despair* is a gripping memoir of struggle activism and hope for peace *Journal of the Bath and West of England Society for the Encouragement of*

During the COVID 19 pandemic many people had to cope with isolation due to lockdown policies that forced them to engage in fewer social activities. People were confined to the small space of their dwellings and felt constrained and socially isolated and deprived of meaningful social interaction and affection which caused stress and anxiety. Several initiatives were put in place to help diminish the effects of isolation such as those involving literature either through writing or reading. *Managing Pandemic Isolation With Literature as Therapy* explains the positive medical and psychological effects of literature and writing during a pandemic at a time when isolation prevented people from engaging with others socially. Covering topics such as clinical psychology, brain neurology and stress, this reference work is ideal for psychologists, medical professionals, policymakers, government officials, researchers, scholars, academicians, practitioners, instructors and students. *Journal of the Bath and West of England Society for the Encouragement of Agriculture, Arts, Manufactures, and Commerce* Bath and West and Southern Counties Society, Bath and West of England Society, 1853 *Autumn in the Spring*, Investigation of So-called "rackets".
