St Petersburg and the Russian Court, 1703-1761 P. Keenan, 2013-06-24 This book focuses on the city of St Petersburg the capital of the Russian empire from the early eighteenth century until the fall of the Romanov dynasty in 1917 It uses the Russian court as a prism through which to view the various cultural changes that were introduced in the city during the eighteenth century

*Stalinist City Planning* Heather DeHaan, 2013-02-28 Based on research in previously closed Soviet archives this book sheds light on the formative years of Soviet city planning and on state efforts to consolidate power through cityscape design Stepping away from Moscow's central corridors of power Heather D DeHaan focuses her study on 1930s Nizhnii Novgorod where planners struggled to accommodate the expectations of a Stalinizing state without sacrificing professional authority and power Bridging institutional and cultural history the book brings together a variety of elements of socialism as enacted by planners on a competitive urban stage such as scientific debate the crafting of symbolic landscapes and state campaigns for the development of cultured cities and people By examining how planners and other urban inhabitants experienced lived and struggled with socialism and Stalinism DeHaan offers readers a much broader more complex picture of planning and planners than has been revealed to date

*Eighteenth-century Russia* Study Group on Eighteenth-Century Russia. International Conference, 2007 This volume brings together forty papers from the Study Group's very successful international conference held in Wittenberg in 2004 The contributors include scholars from Russia Britain Germany Italy and the US papers are written in English and in Russian Topics range widely over the life of the Empire and its emerging modern society institutions and discourses The volume brings together new research on literature and its social context on cultural models and reception on social groups and individuals on history law and economy it offers an exciting interdisciplinary insight into Imperial Russia in the long eighteenth century

Russia's French Connection Adam Coker, 2020-05-28 While it is generally acknowledged that Russia's culture has been influenced by France the present study goes beyond the Francophile preferences of the noble elite and examines Russian society more broadly exploring those elements of French cultural influence that are still relevant today This is done through an historical analysis of French loanwords in the Russian language from the time of Peter the Great to the present The result of this lexical analysis and subsequent study of eighteenth and nineteenth century archival periodical and memoir material is to empirically link Russia's present culture to two major Franco-Russian events the wave of immigration to Russia following the French Revolution and Russia's war with Napoleon This is primarily a book for those interested in European history particularly imperial Russia the French Revolution and the Napoleonic Wars The study of Russian officer memoirs includes original campaign maps which may be of interest to military historians The analysis of periodical literature will likewise be a resource for those studying the history of printing publishing and journalism in Russia The book's interdisciplinary nature however broadens its relevance to linguists cultural historians and those in the emerging field of Immigration Studies

**Записки Русской академической группы в С. Ш. А**, 1971 *Sputnik*, 1971 **The End of Peasantry?** Grigory Ioffe, Tatyana Nefedova, Ilya Zaslavsky, 2006-10-19 The End of Peasantry examines the dramatic recent decline of agriculture in post Soviet Russia Historically Russian farmers have encountered difficulties relating to the sheer abundance of land the vast distances between population centers and harsh environmental conditions More recently the drastic depopulation of rural spaces decreases in sown acreage and overall inefficiency of land usage have resulted in the disruption and spatial fragmentation of the countryside For many decades rural migration has been a selective process resulting in the most enterprising and self motivated people leaving the rural periphery The new agricultural operators representing nascent but aggressive Russian agribusiness have difficulty co-opting traditional rural communities afflicted by profound social dysfunction The contrast between agriculture in proximity to large cities and in their hinterlands is as sharp as ever and some vacant niches are increasingly occupied by ethnically non Russian migrants All of these conditions existed to some degree in pre Soviet times but they have been exacerbated since Russia took steps toward a market economy Understudied and often underestimated in the West the crisis facing Russian agriculture has profound implications for the political and economic stability of Russia The authors see hope in the significant increase in land use intensity on vastly diminished farmland The lessons gathered from this thoroughly researched study are far reaching and relevant to the disciplines of Slavic and European studies agriculture political science economics and human geography **The Environs of Russian Cities** Grigoriĭ Ioffe, Tat'iāna Grigor'evna Nefedova, 2000 This study focuses on strips of land girding large cities in Russia Applying the term suburb to these strips would generate misleading associations It s Russian counterpart has derived from a centripetal urban orientated migration the Russian Prigorod is stepping stone to the city not out of it as is generally the case in the West Re-Examining the History of the Russian Economy Jeffrey K. Hass, 2018-06-14 This book explores the application of field theory patterns of interaction to Russian economic history and how social and political fields mediate the influences of institutions structures discourses and ideologies in the creation and dissemination of economic thinking theory and practice Using focused cases on Russia s economy from the mid nineteenth century to the present Hass and co authors expand the empirical basis of field studies to provide new material on Russian economic history The cases are divided into two complementary halves i The role of fields of institutions discourses and structures in the development of Russian economic thought especially economic theories and discourses and ii The role of fields in the real adoption and implementation of policies in Soviet and Russian economic history With developed discussion of fields and field theory this

book moves beyond sociology to demonstrate to other disciplines the relation of fields and field theory to other frameworks and methodological considerations for field analysis as well as providing new empirical insights and narratives not as well known abroad     Historical and Cultural Transformations of Russian Childhood Marina Balina,Larissa Rudova,Anastasia Kostetskaya,2022-11-30 Historical and Cultural Transformations of Russian Childhood is a collection of multidisciplinary scholarly essays on childhood experience The volume offers new critical approaches to Russian and Soviet childhood at the intersection of philosophy literary criticism film visual studies and history Pedagogical ideas and practices and the ideological and political underpinnings of the experience of growing up in pre revolutionary Russia the Soviet Union and Putin s contemporary Russia are central venues of analysis Toward the goal of constructing the multimedial childhood text the contributors tackle issues of happiness and trauma associated with childhood and foreground its fluidity and instability in the Russian context The volume further examines practices of reading childhood as nostalgic text documentary evidence and historic mythology Considering Russian childhood as historical documentation or fictional narrative as an object of material culture and as embodied in different media periodicals visual culture and cinema the volume intends to both problematize but also elucidate the relationship between childhood history and various modes of narrativity     **RUSSIA/CIS.**

**Exporters-Importers Directory ,**     *Russia's Regional Identities* Edith Clowes,Gisela Erbslöh,Ani Kokobobo,2018-01-17 Contemporary Russia is often viewed as a centralised regime based in Moscow with dependent provinces made subservient by Putin s policies limiting regional autonomy This book however demonstrates that beyond this largely political view by looking at Russia s regions more in cultural and social terms a quite different picture emerges of a Russia rich in variety with different regional identities cultures traditions and memories The book explores how identities are formed and rethought in contemporary Russia and outlines the nature of particular regional identities from Siberia and the Urals to southern Russia from the Russian heartland to the non Russian republics     *The Regional Newspaper in Post-Soviet Russia* Jukka Pietiläinen,2002 Tiivistelm Resumo en Esperanto Rezjume     **Russian Novelists in the Age of Tolstoy and Dostoevsky** J. Alexander Ogden,Judith E. Kalb,2001 Provides a detailed portrait of the styles concerns and historical involvement of the novel in Russia in the second half of the nineteenth century representing an artistic range from master stylists to those who were more a part of popular culture and are important as a reflection of the flavor of the era rather than as artistic exemplars
