The Ashes That Remain A.M. Griffin,2014-08-04 We re at war against the aliens that have invaded Earth fighting the only way we can by surviving I have more than most people do but although I know it s stupid to hold on I can t let go of what might have been can t help dreaming of something more No matter how I tell myself it would be easier to do what everyone else wants me to there s a part of me that can t give in Making the best of the situation is one thing Settling even to make other people happy is something else Then we hear the alien mother ships have disappeared Of course we have to go and investigate What we find lands us in a huge mess that we somehow have to clean up and as our little enclave is rocked to the core with even more changes I m learning a hard lesson The more things change for the better or the worse there s no fighting human nature and building on the ashes that remain will take everything we have And maybe more
