Philippe Walter

Stone Pillows:

Pillow of Stone Al Lacy, 2011-06-15 New Orleans 1870 With her infant daughter Larissa Julianna LeCroix heads west to begin a new life in Idaho after unscrupulous lawyers steal her inheritance following her husband's death. Along the way she encounters kind strangers who share the gospel with her and a desperate drifter named Jack Bower who takes her hostage to conceal his identity from hired killers hot on his trail. As he travels with Julianna Jack finds himself falling in love with the spirited and beautiful young widow. He hires on with a local rancher, becomes a Christian, and eventually asks Julianna to marry him just before the stagecoach that would separate them forever heads for the horizon. *Library of Congress Subject Headings* Library of Congress, Library of Congress. Pillows! Pillows! Pillows! Jackie Dodson, Jan Saunders, 1996 In more than 30 step-by-step projects and a gallery of pillows created by designers Sew and Serge Pillows Pillows Pillows covers the basics of pillow construction and the most imaginative pillow possibilities. *Easter Island's Silent Sentinels* Kenneth Treister, Vargas Casanova Vargas, Claudio Cristino Ferrando, 2013-11-15 This richly illustrated book of the history, culture, and art of Easter Island is the first to examine in detail the island's vernacular architecture often overshadowed by its giant stone statues.

Home Sewn Cassandra Ellis, 2016-06-14 Transform your home with fabric as your foundation. This beautiful craft book features distinctive sewing projects dedicated to living, resting, eating, and sharing. Use quality materials from rustic linen to leather to create simple ottomans, pendant light shades, a voile bed skirt, and more. With dreamy lifestyle photography and ideas for every room, *Home Sewn* is a keepsake for the modern maker.

Orthopaedic Pillow Shuori Yamada, 2023-06-15 Based on the clinical experiences and results of more than 50 years, this book discusses the theory and best practices of using pillows. It focuses on pillow requirements that address the issue with sleeping posture as well as the history and analysis of problems with the usage of pillows that are now on the market. The book also emphasizes sleep disorders such as sleep apnea syndrome as issues that can be resolved by pillows in addition to orthopedic spinal illnesses. Additionally, it describes the significance of utilizing mattresses, comforters, nightwears, and other physical elements like lighting and temperature to create a conducive sleeping environment. The topic of keeping proper sleeping posture is also addressed. Since 1972, the author and her father have examined more than 120,000 patients and created a pillow adjustment technique. The authors have developed a method to identify the specific pillow height change that improves the patient's condition based on these data sets. The patient's condition has significantly improved as a result of the findings, and the book details the most recent development in the study. Professionals can incorporate the findings into their medical procedures to help individuals with their symptoms. Medical professionals who can use the technique and impart the knowledge to their patients, such as doctors, nurses, and engineers, are the intended audience. The English manuscript was created using machine translation by the service DeepL.com, followed by the author revising, editing, and verifying the translated content. [Christian Mythology](#)

Philippe Walter, 2014-11-20 Reveals how Christian mythology has more to do with long standing pagan traditions than the Bible Explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease the transition to the new religion Identifies pagan deities that were incorporated into each of the saints Shows how all the major holidays in the Christian calendar are modeled on pagan rituals and myths including Easter and Christmas In this extensive study of the Christian mythology that animated Europe in the Middle Ages author Philippe Walter reveals how these stories and the holiday traditions connected with them are based on long standing pagan rituals and myths and have very little connection to the Bible The author explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease the transition to the new religion Rather than tear down the pagan temples in Britain Pope Gregory the Great advised Saint Augustine of Canterbury to add the pagan rituals into the mix of Christian practices and transform the pagan temples into churches Instead of religious conversion it was simply a matter of convincing the populace to include Jesus in their current religious practices Providing extensive documentation Walter shows which major calendar days of the Christian year are founded on pagan rituals and myths including the high holidays of Easter and Christmas Examining hagiographic accounts of the saints he reveals the origin of these symbolic figures in the deities worshipped in pagan Europe for centuries He also explores how the identities of saints and pagan figures became so intermingled that some saints were transformed into pagan incarnations such as Mary Magdalene s conversion into one of the Celtic Ladies of the Lake In revealing the pagan roots of many Christian figures stories and rituals Walter provides a new understanding of the evolution of religious belief The Word Susan Bogert Warner, 1867 **The Word** S.
