 country around Avignon *Report from a Parisian Paradise* superbly translated by Michael Hofmann paints the sepia tinted  
 landscapes enchanting people and ruthless desperation of a country hurtling toward dissolution Roth's book is not only a

 in Nazareth At least it was successful until the oldest brother Jesus left home to tell the world he will forgive their sins and  
 save their souls Now everyone is hearing outlandish reports of healings and exorcisms Business is suffering not many people  
 want a stool made by the family of the local crazy man When one of his brothers starts listening to Jesus troubling speeches  
 and fanatical Zealots descend on Nazareth to convince his family to join their fight against Rome James wants nothing more  
 than to shut out these rumblings and have a normal life But normal walked out the day his brother did James knows that this  
 year's Passover pilgrimage will be more important than ever Hearing about a possible plot against Jesus he must find him  
 and talk some sense into him before it's too late And he must decide for himself who his brother really is But on the dusty  
 road to Jerusalem more than one faction has murder on its mind *The Stones of My Accusers* You're the one Nathaniel had  
 said You go and tell her No stones Rivkah knows her own sin all too well She knows the prophets judgments against women  
 like her and still believes that prostitution doesn't even compare to the most secret and shameful incident of her past Not  
 even her best friend knows what she did Only God knows Determined to make her way to Caesarea Maritima to confront the  
 mother of her beloved Nathaniel Jorah has no time to consider the rumors she hears of her brother Jesus resurrection She'll  
 stop at nothing to get the answers she needs A former Zealot Joab is wrestling with delivering a message to a woman named  
 Rivkah a message that challenges everything he ever believed A message from her son No stones *Madman* If there is a way  
 into madness logic says there is a way out Logic says Tallis a philosopher's servant is sent to a Greek academy in Palestine  
 only to discover that it has silently ominously disappeared No one will tell him what happened but he learns what has become  
 of four of its scholars One was murdered One committed suicide One worships in the temple of Dionysus And one one is a  
 madman From Christy Award winning author Tracy Groot comes a tale of mystery horror and hope in the midst of  
 unimaginable darkness the story behind the Gerasene demoniac of the Gospels of Mark and Luke      *QUEEN OF KNIGHTS*
