 Anthea Irwin-Turner, 2023-03-27 An ideal introduction to the analysis of language as a central element of everyday interactions and media helping students reflect critically on the ways individuals and the creators of media use language to reflect and construct social identities Why do we encounter different types of language in different places from different people and in different types of media What assumptions do we make about each other when we interact and what assumptions do media creators make about us when they design the media we see and hear When does the language used in society and by media lead to social change and when does it serve to reinforce existing power structures and class divisions In Language Media and Society students learn how to notice the features of the language used in the interactions they have and the media they encounter everyday and to understand the relationships between language media and the wider world around them Assuming no prior knowledge of sociolinguistic analysis this student friendly textbook is a perfect introduction to the intersections between language and its social contexts Written in a student friendly conversational tone Language Media and Society first answers some fundamental questions about what we mean when we talk about language about media and about society in the contexts of applied linguistics The book then addresses the many different ways that language and media construct and reflect aspects of identity such as age gender sexuality class and disability Students will find useful examples throughout from the types of interactions they have every day and from the media they encounter every day and will be invited to begin their own investigations into the functions of language in everyday life and in media of all types This valuable textbook is suitable for use in courses on language and media sociolinguistics applied linguistics communications media studies and sociology Encourages students to reflect upon the language that is used in everyday life and in the media they see and hear and to consider how this language influences and is influenced by society Features in chapter tasks end of chapter review questions guided reflections and resources for students and instructors Employs an engaging conversational tone and makes underlying theory accessible Language Media and Society is an ideal introductory textbook for undergraduate courses on sociolinguistics language and media sociology and communication and media studies

**Speaking for Our Lives** Robert B Ridinger, 2014-02-25 Read the words they risked everything for This landmark volume collects more than a hundred years of the most important public rhetoric on gay and lesbian subjects In the days when homosexuality was mentioned only in whispers a few brave souls stood up to speak for the rights of sexual minorities In Speaking for Our Lives Historic Speeches and Rhetoric for Gay and Lesbian Rights 1892 2000 their stirring words have

finally been gathered together along with the political manifestoes broadsheets and performance pieces of the gay and lesbian liberation movement *Speaking for Our Lives* comprises speeches and manifestoes prompted by events ranging from demonstrations to funerals Scholars and researchers will appreciate the brief commentary introducing each piece which discusses the author the occasion and the political and social contexts in which it first appeared You will find the words of a broad variety of individuals and groups including the Victorian humanist and crusader Robert Ingersoll key groups such as the Mattachine Society Homosexual Law Reform Society Gay Activists Alliance and International Gay Association activists and educators Robin Morgan Joseph Bean and Dr Franklin Kameny artists and journalists of the movement such as John Eric Larsen Joan Nestle Barbara Grier and Jim Kepner elected officials including Bella Abzug Ed Koch Eleanor Holmes Norton Gerry Studds Tammy Baldwin and Bill Clinton Many of these documents have long been out of print *Speaking for Our Lives* makes these noteworthy texts readily available to the broader public they deserve This book preserves an essential part of twentieth century history

*Speaking of Race, Speaking of Sex* Henry Louis Gates Jr., Henry Louis Gates Jr., Anthony P. Griffin, Donald E. Lively, Nadine Strossen, 1996-10 A provocative anthology on questions of hate speech and speech regulation designed to protect minorities At the University of Pennsylvania a student is reprimanded for calling a group of African American students water buffalo Several prominent American law schools now request that professors abstain from discussing the legal aspects of rape for fear of offending students As debates over multiculturalism and political correctness crisscross the land no single issue has been more of a flash point in the ongoing culture wars than hate speech codes which seek to restrict bigoted or offensive speech and punish those who engage in it In this provocative anthology a range of prominent voices argue that hate speech restrictions are not only dangerous but counterproductive The lessons of history indicate that speech regulation designed to protect minorities is destined to be used against them Acknowledging the legitimacy of the concerns that prompt speech codes and combining support for civil liberties with an acute concern for civil rights issues *Speaking of Race Speaking of Sex* demonstrates that it is difficult if not impossible to draw the line between unprotected insults and protected ideas Decrying such speech regulation as overly concerned with the symbols of racism rather than its realities *Speaking of Race Speaking of Sex* offers a balanced and well reasoned perspective on one of the most controversial issues of our time

*Beyond the Portal* Joe Gonzalez, 2021-04-21 Would you want to go back in time If your answer is yes what would you give to go back in time and be able to re live something from history's past or re live something from your own past Have you ever asked yourself the question Could there be a hidden portal somewhere on this earth where one can enter it in order to take a trip into a forgotten place and time And if you do find that hidden portal would you be brave enough to enter it not knowing if you will be able to return Would you be brave enough to see where it takes you Would you be able to find it back in order to get back to the present What if it is not there anymore What if you only had a certain amount of time to get back What would happen if you missed that window of opportunity What then And what if you

decided to stay and not go back to the present Could you do it Cotton accidentally stumbles into a portal during a freak lightning strike close to the North Fork Double Mountain Brazos River The year is 1965 When Cotton wakes up he finds himself in the year 1865 right at the end of the Civil War Stonewall s wolf Thunder is with him He has gone through the portal right behind Cotton Cotton realizes that he is about to be shot by a Union soldier Cotton and Thunder are not in Texas anymore They are in Louisiana just east of the Sabine River Cotton and Thunder must now figure out how to get back to Texas before his mom misses him In their efforts to get back home Cotton slowly begins meeting some very important people that will end up being a part of his past Follow the dangers and miscalculations Cotton must now face What dangers will Cotton and Thunder along with his friends will now have to face in order to survive the wilderness that existed at the end of the Civil War when there were no trail or very few trails to follow in order to get from location to another Will Cotton and Thunder be able to get back to Texas Will they be able find the portal in time to get back to the present Will they stay in 1865 Who will the strangers be and how will they be able to help Cotton Who will end up saving who Will Cotton and his new friends stay together and make their way back to the Brazos
