The Magic of Shapeshifting Rosalyn Greene, 2025-09-12 SHAPESHIFTERS are people with animal medicine people who can connect with and use their animal powers Those with access to this magical power can shift mentally astrally or even physically into their power animal or totem Rosalyn Greene's ability to shift both mentally and astrally combined with her extensive study of the secret shapeshifting folklore has resulted in this fascinating examination of all aspects and forms of shifting This unique book helps you realize your potential for being a shapeshifter giving detailed explanations about how the various forms of shifting occur She shows you how to distinguish powerful visions anxiety attacks and imagination from real shifting as well as how to recognize the warning signs of an imminent shift Since there can be dangers and risks on both the mundane and psychic levels when you pursue the path of a shifter many of the potential dangers associated with specific practices are carefully outlined Shapeshifting is a spiritual journey a very tough one but very rewarding linking us with both the fundamental power of animals and with the higher self It has a purpose and reality far beyond simply using shifter abilities for earthly benefits it can lead us through the unseen veil that separates us from our Selves

Making Witches Barbara Rieti, 2008-04-15 There is a little known tradition of witch lore in Newfoundland culture Those believed to have the power to influence the fortunes of others are not mythological characters but neighbours relations or even friends Drawing from her own interviews and a wealth of material from the Memorial University Folklore and Language Archive Barbara Rieti explores the range and depth of Newfoundland witch tradition looking at why certain people acquired reputations as witches and why others considered themselves bewitched The tales

that emerge despite their seemingly fantastic elements of spells and black heart books hags and healing charms concern everyday affairs and reveal the intense social interdependence central to outport life Frequently featuring women they provide fascinating new perspectives on female coping strategies in a volatile economy By addressing the perennial human issues at the heart of witchcraft construction of enmity and intertwined fate these narrative accounts also illuminate older witch beliefs revealed in witchcraft trial documents Making Witches shows that in storytelling communities with a rich legacy of witch lore witch tradition has endured well into the twentieth century
