## **Stop The Presses:**

**Stop the Presses!** Robert Goldsborough, 2016-03-08 Nero Wolfe and Archie Goodwin have a lot of boldfaced names on their suspect list when New York's most hated gossip columnist is murdered. There are few people Nero Wolfe respects and Lon Cohen of the New York Gazette is one of them. So when Cohen asks for a favor, the famously brilliant and notoriously lazy detective is inclined to listen. According to Cohen, someone wants to kill the Gazette's gossip columnist. Cameron Clay's death threats are a regular hazard for Clay, who's hurled insults and accusations at every bold-faced name in the five boroughs. But the latest threats have carried a more sinister tone. The columnist has narrowed his potential killers down to five people: an egomaniacal developer, a disgraced cop, a corrupt councilman, a sleazy lawyer, and his own ex-wife. But when Clay turns up dead, the cops deem it a suicide. The bigwigs at the Gazette don't agree, so they retain Wolfe and his indefatigable assistant Archie Goodwin to figure out which of the suspects had the mettle to pull the trigger. In this outstanding mystery, Robert Goldsborough, author of *Murder in E Minor*, once again demonstrates an impressive ability to emulate Rex Stout's narrative voice. Publishers Weekly starred review.

**Stop the Presses! I Want to Get Off!** Joseph W. Grant, 2012-08-01 The final book in the groundbreaking *Voices from the Underground* series. *Stop the Presses I Want to Get Off* is the inspiring, frenetic, funny, sad, always cash-starved story of Joe Grant, founder and publisher of *Prisoners Digest International*, the most important prisoners' rights underground newspaper of the Vietnam era. From Grant's military days in pre-Revolutionary Cuba during the Korean War to his time as publisher of a pro-union newspaper in Cedar Rapids and his eventual imprisonment in Leavenworth, Kansas, Grant's personal history is a testament to the power of courage under duress. One of the more notorious federal penitentiaries in the nation, Leavenworth inspired Grant to found PDI in an effort to bring hope to prisoners and their families nationwide.

**Provoking the Press** Kevin M. Lerner, 2019-05-24 At the beginning of the 1970s broadcast news and a few newspapers such as The New York Times wielded national influence in shaping public discourse to a degree never before enjoyed by the news media At the same time however attacks from political conservatives such as Vice President Spiro Agnew began to erode public trust in news institutions even as a new breed of college educated reporters were hitting their stride This new wave of journalists doing their best to cover the roiling culture wars of the day grew increasingly frustrated by the limitations of traditional notions of objectivity in news writing and began to push back against convention turning their eyes on the press itself Two of these new journalists a

**Critical Perspectives on Freedom of the Press and Threats to Journalists** Bridey Heing,2018-07-15 In political dictatorships or other forms of authoritarian governance freedoms of the press are often curtailed first before any other liberties are revoked This is because the press is integral to democracy and to keeping citizens informed of important political happenings so that they can become more informed voters In some countries such as Russia journalists face extreme pressure to toe the party line if they speak out against the government they are threatened and can even be killed While most journalists do not fear for their lives in the United States the press has faced increasing scrutiny from the White House In this text various experts weigh in on this important issue so readers can become more informed about the importance of and the abuses toward a free media
