workhouse north of London where a young orphan named Oliver lives a brutal and impoverished life and is subjected to a series of torments as he is handed off to an undertaker to work as a mourner at funerals After a succession of maltreatments Oliver runs away to London for a better life In London Oliver unwittingly falls into company of a gang of juvenile pickpockets who are under the spell of the sinister criminal Fagin and makes his home with them Oliver is mistakenly accused of pickpocketing an older gentleman named Mr Brownlow and arrested In the ensuing trial Mr Brownlow recognizes that Oliver was indeed innocent of the crime and takes him into care at his residence Just as it appears that his life has improved Oliver is accosted back into the world of Fagin and his band of young miscreants In the ensuing twists of fate a great mystery is revealed and Oliver finally fulfills his retribution With an eye catching new cover and professionally typeset manuscript this edition of Oliver Twist is both modern and readable Bentley's Miscellany Charles Dickens, William Harrison

The Complete Works of Charles Dickens Charles Dickens, 2009-01-01 It is impossible to overstate the importance of British novelist CHARLES DICKENS 1812 1870 not only to literature in the English language but to Western civilization on the whole He is arguably the first fiction writer to have become an international celebrity He popularized episodic fiction and the cliffhanger which had a profound influence on the development of film and television He is entirely responsible for the popular image of Victorian London that still lingers today and his characters from Oliver Twist to Ebenezer Scrooge from Miss Havisham to Uriah Heep have become not merely iconic but mythic But it was his stirring portraits of ordinary people not the upper classes or the aristocracy and his fervent cries for social moral and legal justice for the working poor and in particular for poor children in the grim early decades of the Industrial Revolution that powerfully impacted social concerns well into the 20th century Without Charles Dickens we may never have seen the likes of Sherlock Holmes Upton Sinclair or even Bob Dylan Here in 30 beautiful volumes complete with all the original illustrations is every published word written by one of the most important writers ever The essential collector's set will delight anyone who cherishes English literature and who takes pleasure in constantly rediscovering its joys This volume contains Oliver Twist Dickens's second novel which was serialized in Bentley's Miscellany from February 1837 to April 1839 A stunning example of the social novel and the first novel ever to focus on a child character it is one of Dickens's most compelling works
