

A sunset over the ocean with waves crashing on a rocky shore. The sky is a warm orange, and the water is a deep blue-grey. The waves are white with foam as they break on the dark rocks in the foreground.

Stop the world. I  
want to get off.

Susan Stafford, 2011-02-22 *It's All Left up to Time* Marilyn Myers, 2012-12-07 I believe you can learn a lot from poetry Many times it is a mood feeling or emotion the author experiences Sometimes it helps to know you arent the only person who feels a certain way My selections are an explanation of the highs and lows of relationships Sometimes it makes me wonder if things will ever get on the right track but I try to take an optimistic view and thing that everything happens for a reason That reason is usually for the better I can imagine but I cant predetermine how life will turn out no human can know exactly what will happen We estimate but we cant know for certain We waste our time worrying over things that we cant change because we dont have control over those things The things we have control over we dont usually try to change Many times we have a hard time accepting what has happened in our lives I know I do and I have to tell myself Dont argue with a stop sign You cant beat it Some things just are what they are If I make a mistake I feel that I can learn from that mistake **Motion Picture Herald**, 1966 *Aging Gracefully with Dignity, Integrity and Spunk Intact* Norma Roth, 2009-09 Welcome to a new and exciting concept Aging Gracefully with Dignity Integrity let no one hold you back Become the trail blazers and pathfinders Science medicine and technology are on your side EMPOWER YOURSELF and join in the glitter and sparkle of a rapidly developing new generation Read this book baby boomers too and see what is in store for The Age of the Silver Generation and remember the only person you are destined to become is the person you decide to be Ralph Waldo Emerson *Congressional Record* United States.
